Story Overview

Theme	**Environmental cleanliness, anti-littering, and keeping drains clear.**
PSM	**"Litter never truly goes away. Bin your waste. Keep drains clear. Protect your street."**
Social Relevance	Blocked storm drains from litter are a real problem in cities everywhere — a few stray wrappers or bottles can stop rainwater from draining, leading to flooded streets, damaged shops, and safety risks. This story makes that invisible cause-and-effect visible: littering doesn't just disappear, it accumulates until it becomes everyone's problem. It invites viewers to see small actions — a dropped wrapper, an ignored drain — as connected to a bigger issue, and shows that collective action, like a neighborhood cleanup, is the solution.
Duration	1–2 minutes
Main Character	**Ayaan —** a curious young boy who learns that careless littering creates real street problems.
Other Characters	**Muck**, a tiny trash creature; shopkeeper; careless passerby; neighbors/community members.
Location	A rainy neighborhood street with a roadside drain, nearby shops, puddles, litter, and floodwater.

Story Summary

After a rainy afternoon, Ayaan notices a candy wrapper moving near a roadside drain. A tiny creature made of wrappers, bottle caps, plastic, and mud pops out. Its name is Muck. Muck seems funny at first because it eats litter like food. But every time someone throws trash on the street, Muck grows bigger. Heavy rain returns, the drain gets blocked, and water begins flooding toward the nearby shops. Ayaan realizes Muck is not just a monster; it is the result of people's carelessness. He calls the neighbors, grabs a trash bag and broom, and begins cleaning. As the litter goes into bins and the drain clears, Muck shrinks into a tiny harmless creature. The street becomes clean again.

'Muck: The Monster We Made'

Scene: 1 Page: 1 of 1

Litter never truly goes away. Bin your waste. Keep drains clear. Protect your street.

1 WS

Action: Ayaan notices a candy wrapper moving near the drain.
Dialogue/SFX:
Ayaan: "Huh? Did that move?" SFX: Soft rain drip, distant traffic.
Camera: Wide establishing shot. Slow push-in toward Ayaan and the drain. Cut.
Notes: Establishes the rainy street setting.

2 MS

Action: Ayaan crouches closer to check the moving wrapper.
Dialogue/SFX:
Ayaan: "Why is that wrapper moving?" SFX: Drip, drip, faint rustling.
Camera: Medium shot from street level. Slow push-in to Ayaan's face. Cut.
Notes: Close view on Ayaan's curious expression.

3 CU

Action: Muck pops out of the drain for the first time.
Dialogue/SFX:
Muck: "Squish-pop!" Ayaan: "What are you?" SFX: Faint rattle, muddy squish.
Camera: Static close-up, tight framing on the drain. Quick cut.
Notes: Focus on Muck's features within the drain.

4 MS (Two-Shot)

Action: Muck eats the candy wrapper and smiles.
Dialogue/SFX:
Muck: "Yum! Litter makes me strong!" Ayaan: "You eat trash?"
Camera: Medium two-shot, static hold.
Notes: Establishes Muck as silly, not yet threatening.

5 WS

Action: More litter is thrown; Muck grows bigger and messier.
Dialogue/SFX:
Muck: "More! More!" SFX: Toss, plop, whoosh, swish.
Camera: Wide shot, slow tracking across the street. Match cut on growth.
Notes: Growth & complication begin here.

6 Low Angle

Action: Monster grows huge in the storm as floodwater rises around the shops.
Dialogue/SFX:
Shopkeeper: "The water is coming toward the shops!" SFX: Thunder, heavy rain, gurgling water.
Camera: Low angle shot, dramatic scale. Smash cut to storm.
Notes: Emphasizes the scale of the growing threat.

7 OTS

Action: The town floods with waste as Ayaan watches in shock.
Dialogue/SFX:
Ayaan (whispers): "This started with one wrapper... We made this mess." SFX: Thunder, panic, hubbub, rushing water.
Camera: Over-the-shoulder shot from behind Ayaan. Hard cut to clean-up.
Notes: Emotional turning point — Ayaan accepts responsibility.

8 MS

Action: The community starts the cleanup together.
Dialogue/SFX:
Ayaan: "Help me clear it! Bag it, bin it, clear the drain!" Neighbor: "Let's clean it together!" SFX: Sweep, scrape, splash.
Camera: Medium shot, action-oriented framing showing unity.
Notes: Attempt visibly clearing the street; Muck begins shrinking.

9 WS / Text Ending

Action: Final cleanup — the street is safe and clean again.
Dialogue/SFX:
Ayaan (V.O.): "Muck is gone, but the lesson stays." On-screen text: "Litter never truly goes away. Bin your waste. Keep drains clear. Protect your street." SFX: Soft hopeful music.
Camera: Wide peaceful ending shot. Slow pull-back. Fade out.
Notes: Concluding shot showing clear street and resolution.

WS – Wide Shot: establishes the scene. MS – Medium Shot: shows character and some environment. CU – Close Up: focuses on a small area or detail. OTS – Over the Shoulder: view from behind a character. Low Angle: camera looks up to make subject appear powerful. Text Ending: message or voiceover appears on screen.

3. AI Prompt Used

"Create a clean digital storyboard in 9 panels based on my hand-drawn storyboard. The story is about Ayaan and Muck, a trash creature that grows when people litter and shrinks when the street is cleaned. Keep the same characters, same actions, same shot order, and same public service message: 'Litter never truly goes away. Bin your waste. Keep drains clear. Protect your street.' Use detailed cinematic storyboard style, proper rainy street environment, rich color shading, expressive characters, varied camera angles, shot labels, action notes, dialogue/SFX, camera movement, transitions, notes, and a shot-type legend for each panel. Do not use stick figures."

Scene Description

Ayaan discovers a tiny trash creature named Muck near a drain. Muck grows as people throw litter, causing the drain to block and the street to flood. Ayaan realizes the monster exists because of people's carelessness. He calls the neighbors to clean the street and clear the drain. Once the waste is binned and water flows again, Muck shrinks and the street becomes safe and clean.

5. 9 Shot Breakdown Of The Visual Storyboard

Shot 1 / Panel 1 — WS / Wide Shot

Visual/Drawing: Rainy street after afternoon rain. Wet road, puddles, roadside drain, scattered wrappers and bottles, small shops in background. Ayaan walks in from the side.

Action: Ayaan notices a candy wrapper moving near the drain.

Dialogue/SFX: Ayaan: "Huh? Did that move?" SFX: Soft rain drip, distant traffic.

Camera/Transition: Wide establishing shot. Slow push-in toward Ayaan and the drain. Cut.

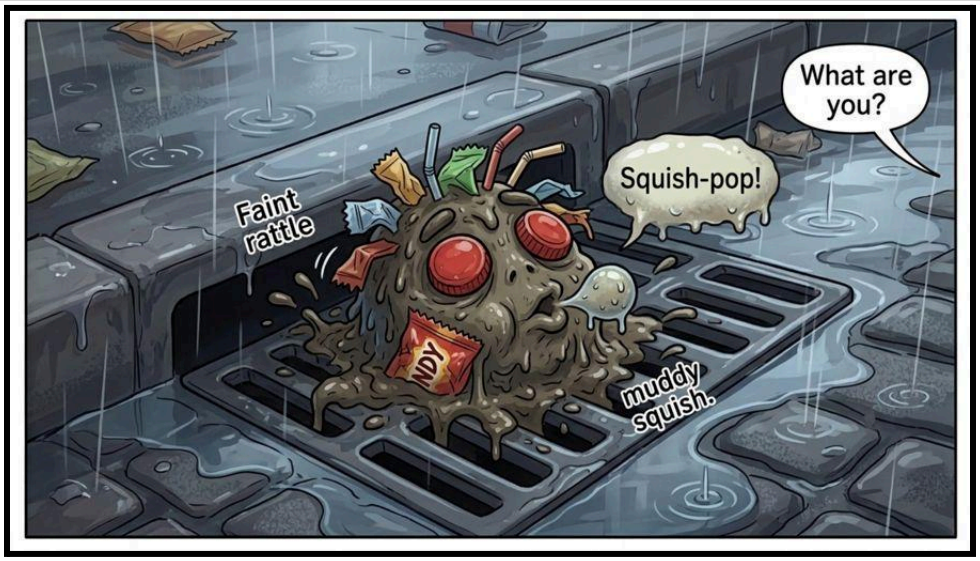

Shot 2 / Panel 2 — MS / Medium Shot

Visual/Drawing: Ayaan bends near the drain, curious and slightly confused. The candy wrapper wiggles beside the drain grill.

Action: Ayaan crouches closer to check the moving wrapper.

Dialogue/SFX: Ayaan: "Why is that wrapper moving?" SFX: Drip, drip, faint rustling sound.

Camera/Transition: Medium shot from street level. Slow push-in to Ayaan's face. Cut.

Shot 3 / Panel 3 — CU / Close Up

Visual/Drawing: Close-up of the drain grill. The candy wrapper, bottle caps, mud, and plastic pieces join together. Muck's small face appears from the drain.

Action: Muck pops out for the first time.

Dialogue/SFX: Muck: "Squish-pop!" Ayaan: "What are you?" SFX: Faint rattle, muddy squish.

Camera/Transition: Static close-up, tight framing on the drain. Quick cut.

Shot 4 / Panel 4 — Two Shot / Medium Shot

Visual/Drawing: Ayaan sits beside the drain facing tiny Muck. Muck has bottle-cap eyes, wrapper arms, and muddy body. It looks silly and harmless.

Action: Muck eats the candy wrapper and smiles.

Dialogue/SFX: Muck: "Yum! Litter makes me strong!" Ayaan: "You eat trash?" SFX: Crunch, munch.

Camera/Transition: Medium two-shot. Quick camera shift from Muck to Ayaan's reaction. Cut.

Notes: Make Muck funny but suspicious.

Shot 5 / Panel 5 — WS / Wide Shot

Visual/Drawing: The street gets busier. A careless person throws a cup, someone drops a plastic bottle, and wrappers blow across the road. Muck grows larger near the drain.

Action: More litter lands around Muck. Muck eats it and grows bigger.

Dialogue/SFX: Muck: "More! More!" SFX: Toss, plop, munch.

Camera/Transition: Wide shot showing the whole street. Pan across the littered road. Cut.

Notes: Show litter causes growth.

Shot 6 / Panel 6 — Low Angle Shot

Visual/Drawing: Dark clouds return. Heavy rain begins. The drain is blocked with wrappers, cups, and plastic bottles. Muck is now bigger and sitting over the blocked drain.

Action: Water cannot enter the drain. The road starts flooding.

Dialogue/SFX: Shopkeeper: "The water is coming toward the shops!" SFX: Thunder, heavy rain, gurgling water.

Camera/Transition: Low angle to make Muck look dangerous. Slow tilt up from flooded drain to Muck. Smash cut.

Notes: Make danger feel big.

Shot 7 / Panel 7 — OTS / Over the Shoulder

Visual/Drawing: Over Ayaan's shoulder, we see water rushing toward shops. People look worried. Muck sits in the middle of the mess, now looking sad and heavy.

Action: Ayaan realizes Muck is not the real problem — littering created him.

Dialogue/SFX: Ayaan: "This started with one wrapper... We made this mess." SFX: Rushing water, worried crowd.

Camera/Transition: Over-the-shoulder shot from behind Ayaan. Slight handheld shaky movement. Cut.

Notes: Show panic and Ayaan’s realization.

Shot 8 / Panel 8 — MS / Medium Shot

Visual/Drawing: Ayaan holds a broom and trash bag. Neighbors join with gloves, bins, and cleaning tools. Shops, drain, and flooded roads are visible behind them.

Action: Ayaan calls everyone to clean the street and clear the drain.

Dialogue/SFX: Ayaan: "Help me clear it! Bag it, bin it, clear the drain!" Neighbors: "Let's clean it together!" SFX: Sweep, scrape, splash.

Camera/Transition: Medium action shot. The camera follows Ayaan as he starts cleaning. Dissolve.

Notes: Show community solution.

Shot 9 / Panel 9 — WS / Text Ending

Visual/Drawing: The street is clean again. Water flows into the drain properly. Muck has shrunk into a tiny harmless creature beside a green bin. A small flower grows near the drain.

Action: Ayaan smiles at the clean street. The final public message appears on screen.

Dialogue/SFX: Ayaan V.O.: "Muck is gone, but the lesson stays." On-screen text: "Litter never truly goes away. Bin your waste. Keep drains clear. Protect your street." SFX: Soft hopeful music.

Camera/Transition: Wide peaceful ending shot. Slow pull-back. Fade out.

Notes: End hopeful and clear.

6. Notes / Coverage and Legend

Notes / Coverage

Keep pacing clear: calm rainy street → strange discovery → Muck grows → flood danger → Ayaan realizes responsibility → community cleanup → hopeful public message. Use arrows in the hand-drawn version to show: Ayaan moving toward the drain, wrapper movement, water flow, rain direction, Muck's growth, and camera push-in/pull-back.
