INTRO SEQUENCE

Windmill Spire

The Engine Breaks · 6 Panels

Panel 1

Location: Skyreach Archipelago, wide sky, dawn
Camera View: Wide shot from above
Visual Description: Floating islands connected by rope bridges, windmills spinning slowly in a pink-teal sunrise sky, ships and airships drifting between islands, thin clouds below.
Character Action: None — pure world reveal.
Player Action: Nothing yet — this is just the opening scene.
Dialogue / Narration: Narrator: "In the floating city of Skyreach, messengers ride the wind itself."
Sound / Music: Soft wind, gentle music.

Panel 2

Location: Windmill Spire district, in the air
Camera View: Medium tracking shot, following Mira
Visual Description: Mira glides fast between rooftops and towers, hair and delivery bag streaming behind her, wind-trail visible.
Character Action: She flies confidently, weaving through the skyline.
Player Action: Nothing yet.
Dialogue / Narration: (none — motion carries it)
Sound / Music: Wind rushing, light upbeat music.

Panel 3

Location: Windmill Spire, main engine
Camera View: Dynamic action shot, close tracking
Visual Description: The main engine coughs black smoke and sparks violently; Mira reacts mid-flight, startled, as sparks and debris rain down.
Character Action: She flinches back, wide-eyed, still airborne.
Player Action: Nothing — just watching, surprised like Mira.
Dialogue / Narration: Sound effect: a sharp mechanical groan and sparking burst.
Sound / Music: Music stops abruptly; low, tense rumble begins.

Panel 4

Location: Windmill Spire, in the air
Camera View: Close-up on Mira's face
Visual Description: Her eyes go wide behind her goggles, the stopped engine's red warning lights reflected in both lenses.
Character Action: She freezes for a beat, realization dawning.
Player Action: Nothing yet.
Dialogue / Narration: Mira: "That's never happened before..."
Sound / Music: A gust of wind, creaking metal in the distance.

Panel 5

Location: In the air, streaking toward the engine
Camera View: Dynamic side view, motion blur / wind trails
Visual Description: Mira dashes forward, glowing teal wind-energy trailing off her arms and legs, wind currents swirling around her.
Character Action: Determined burst of speed toward the danger.
Player Action: Nothing.
Dialogue / Narration: (none)
Sound / Music: A whoosh; tension music building toward a peak.

Panel 6

Location: N/A — title card
Camera View: Fade to black, then hold
Visual Description: Faint dark silhouette of the floating islands and windmills against a deep dusk sky, warm gold light glowing behind the center. Bold gold serif text "SKYBOUND COURIER" centered, subtitle "Fly. Fix. Save the Sky." below.
Character Action: N/A.
Player Action: Tap/swipe prompt to start (added in editor).
Dialogue / Narration: (none — the title speaks for itself)
Sound / Music: Music swells to a peak, then cuts to a single soft note on the logo.

ARC 1 / STAGE 1

Windmill Spire & Market Isle

Theme: learning to fly, meeting the world. Difficulty: Easy → Easy-Medium.

WINDMILL SPIRE

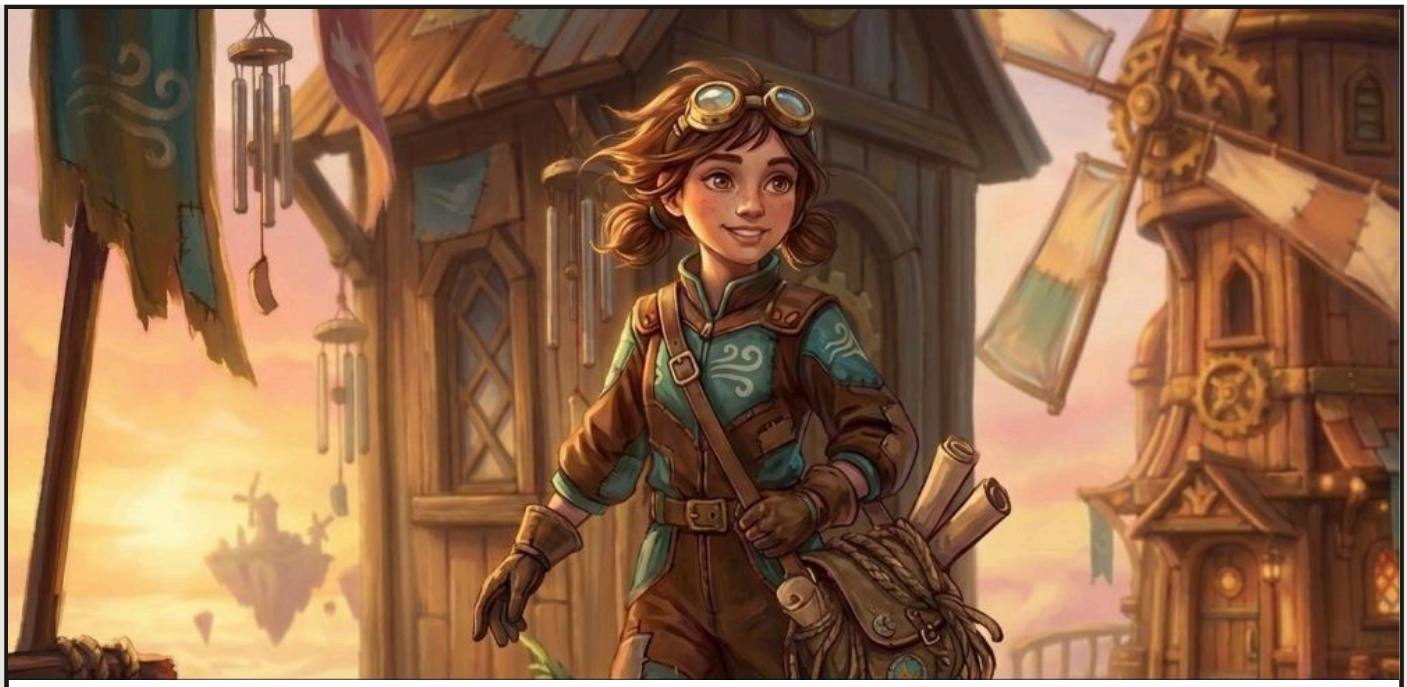

Level 1: Windmill Spire (Opening Scene) · Panels 1–10
Level Goal: "Learn to Glide and Dash"
"In the floating city of Skyreach, messengers ride the wind itself."

Panel 1

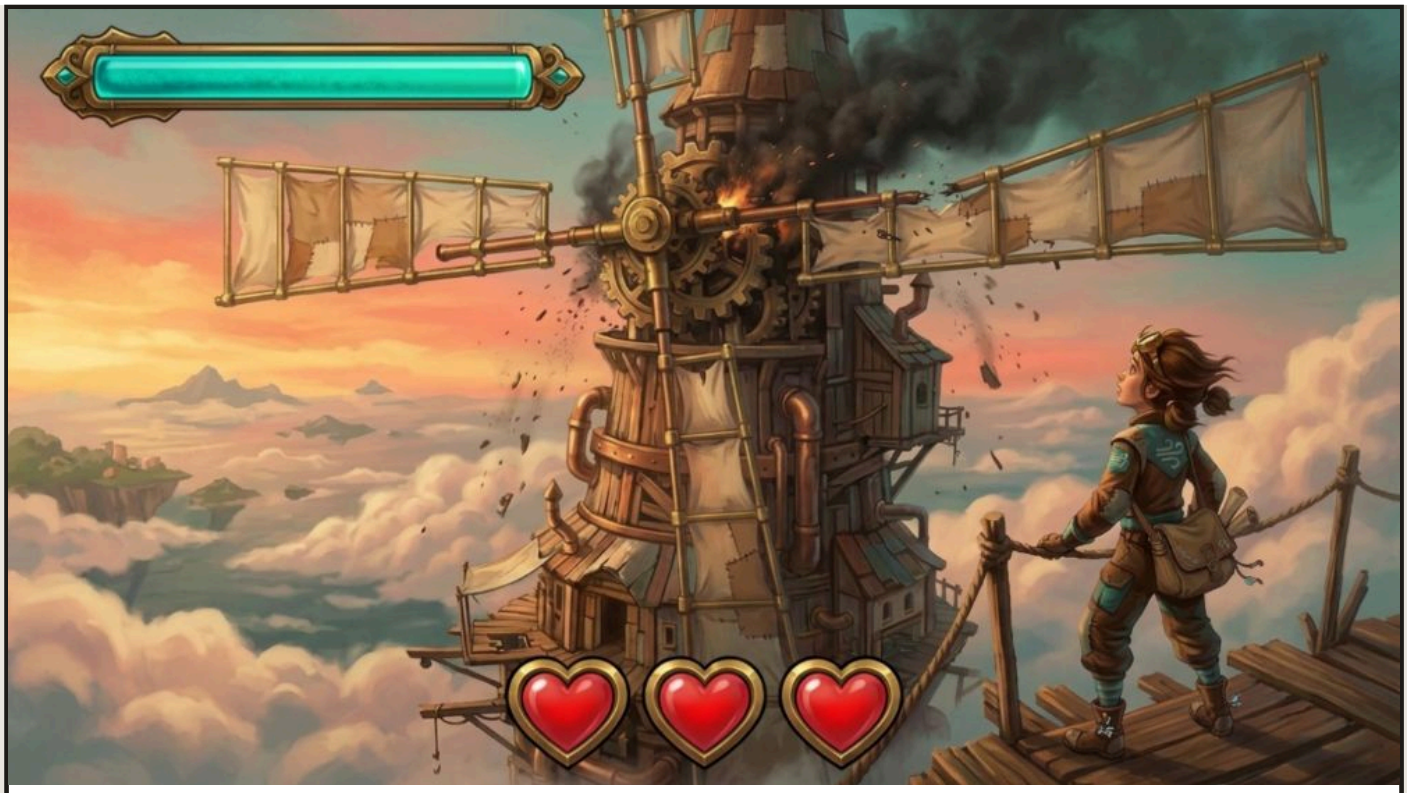

Location: Windmill Spire, early morning
Camera View: Wide shot from above
Visual Description: The sun rises over the floating islands. Windmills spin slowly in the pink sky. Mira flies far away, carrying a delivery bag.
Character Action: She glides steadily toward the Spire, turning around a tower.
Player Action: Nothing yet — this is just the opening scene.
Dialogue / Narration: Narrator: "In the floating city of Skyreach, messengers ride the wind itself."
Sound / Music: Soft wind, gentle music.

Level Description: Mira learns to glide and dash around her home island. Tutorial level, introduces basic flight controls.
Level Goal: "Learn to Glide and Dash"
On-Screen Text: ✅ "Hold to Glide, Swipe to Dash"

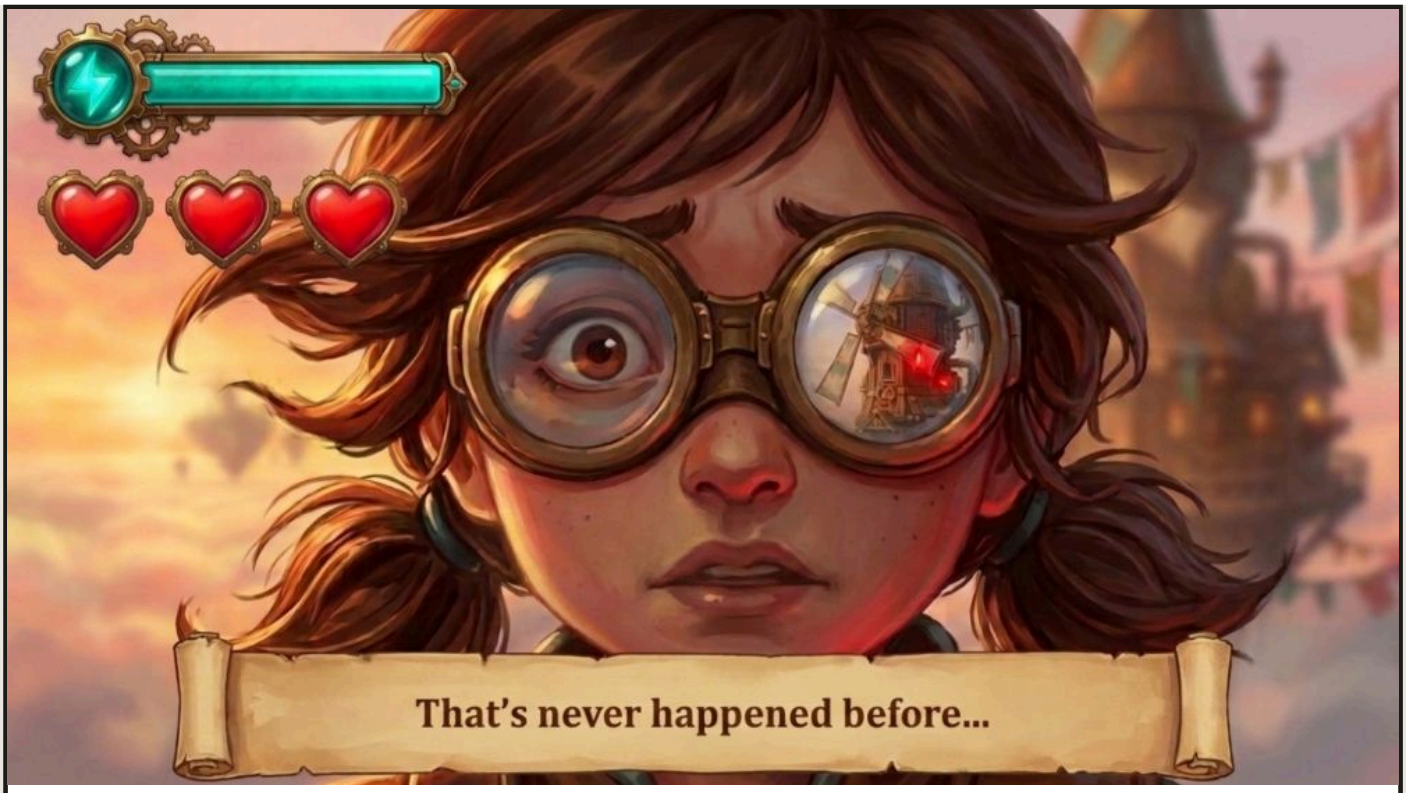

Panel 2

Location: Windmill Spire, landing platform
Camera View: Medium shot, following Mira
Visual Description: Mira lands softly on a wooden platform. Her goggles shine and her bag swings.
Character Action: She smiles and fixes her goggles before flying off again.
Player Action: Player starts playing — hold the screen to glide forward.
Dialogue / Narration: Mira (to herself): "One more delivery, then breakfast."
Sound / Music: Footsteps and cloth sounds.

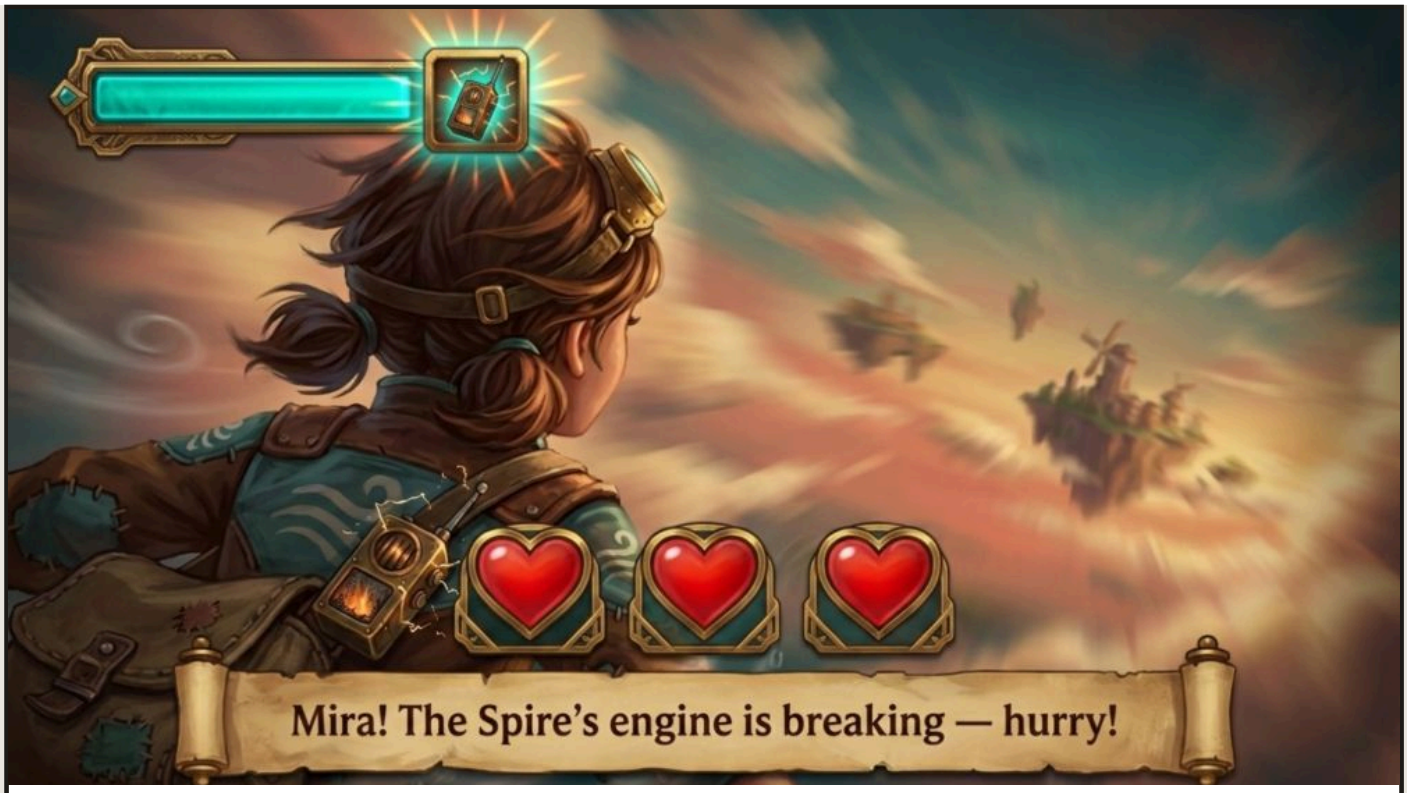

Panel 3

Location: Windmill Spire, main windmill
Camera View: Wide shot, looking up
Visual Description: The island shakes. The main windmill coughs black smoke and stops turning. Dust falls.
Character Action: The windmill blades jerk and stop.
Player Action: Nothing — just watching, surprised like Mira.
Dialogue / Narration: Sound effect: a deep mechanical groan.
Sound / Music: Music stops. A low, scary rumble starts.

Panel 4

Location: Windmill Spire, in the air
Camera View: Close-up on Mira's face
Visual Description: Mira's eyes go wide behind her goggles as she looks at the stopped engine and its blinking red warning light.
Character Action: She freezes in the air for a moment.
Player Action: Nothing yet.
Dialogue / Narration: Mira: "That's never happened before..."
Sound / Music: A gust of wind, creaking metal in the distance.

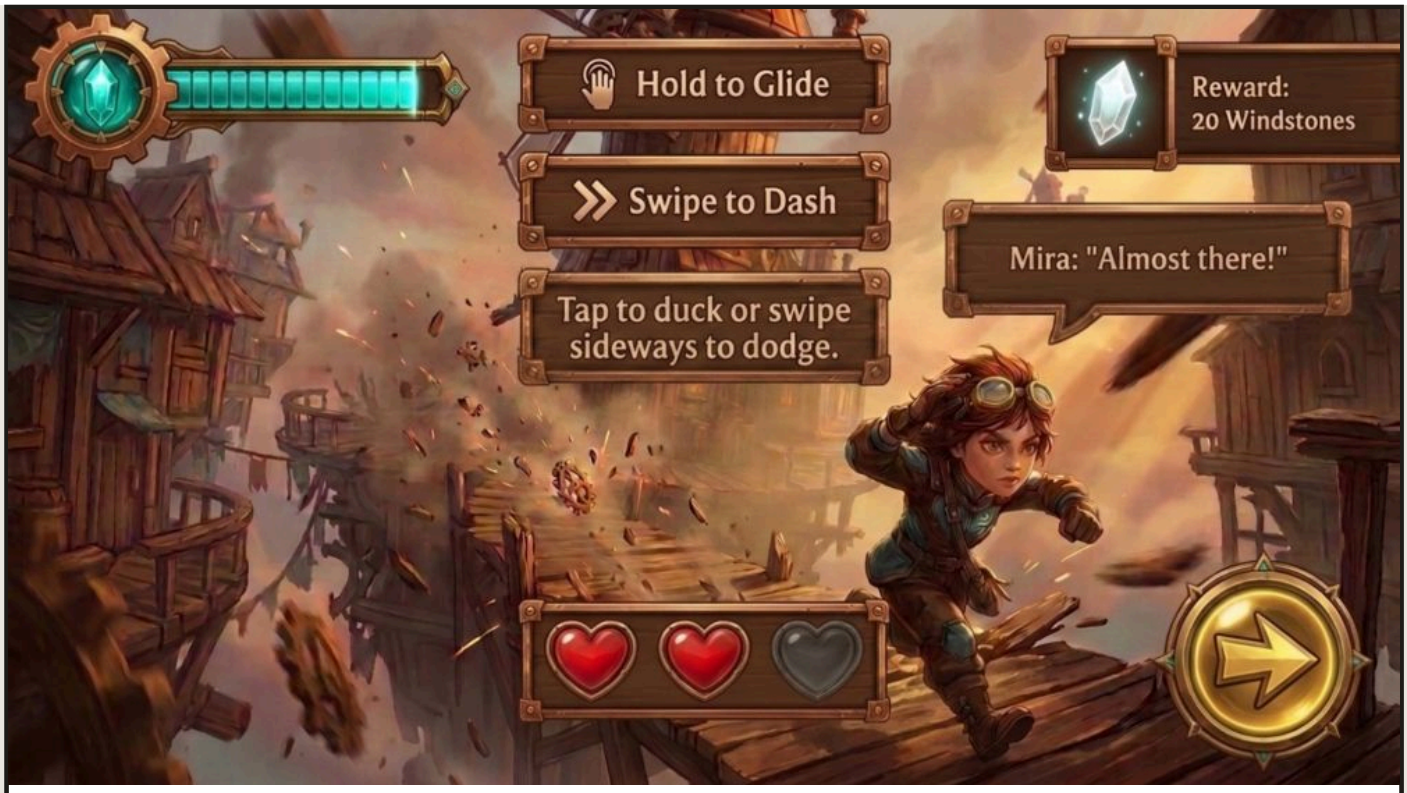

Panel 5

Location: Windmill Spire, flying
Camera View: Over Mira's shoulder
Visual Description: A small radio on Mira's bag crackles with static.
Character Action: She taps the radio without stopping her flight.
Player Action: Nothing.
Dialogue / Narration: Tobb (radio): "Mira! The Spire's engine is breaking — hurry!"
Sound / Music: Radio static, urgent tone.

Panel 6

Location: Windmill Spire, rooftop gap
Camera View: Side view, gameplay
Visual Description: A swipe icon appears as Mira reaches a gap between two rooftops.
Character Action: She gets ready to jump.
Player Action: Swipe to dash across the gap.
Dialogue / Narration: On-screen text: "Swipe to Dash!"
Sound / Music: A whoosh sound when the dash works.
Level Goal: ✅ "Learn to Dash"
On-Screen Text: "Swipe to Dash!"
Reward: New Ability Acquired — Aether Dash (Level 1)

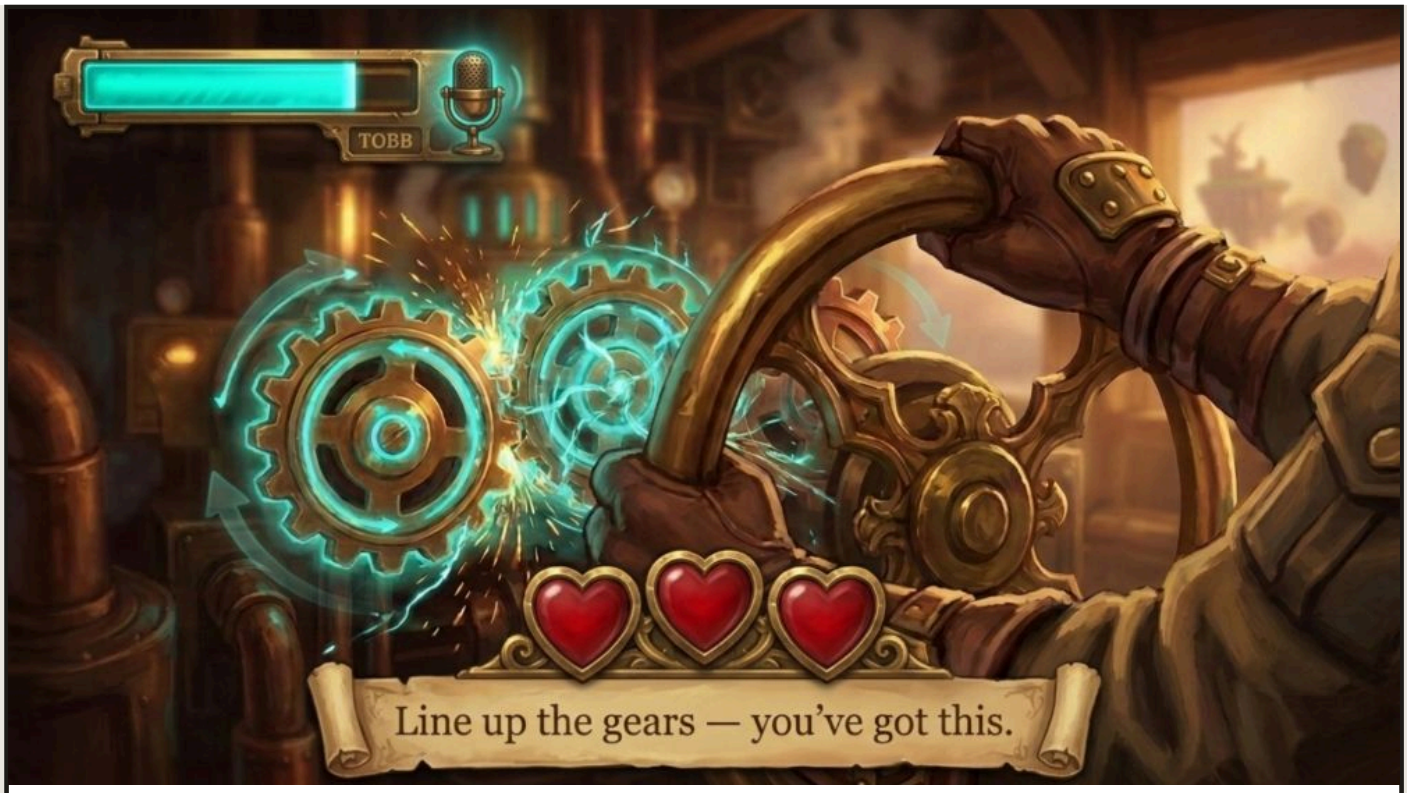

Panel 7

Location: Windmill Spire, broken walkway
Camera View: Medium shot, following Mira
Visual Description: Pieces fall from the broken windmill as Mira moves along a narrow path toward the engine.
Character Action: She ducks and moves around falling pieces.
Player Action: Tap to duck or swipe sideways to dodge.
Dialogue / Narration: Mira: "Almost there!"
Sound / Music: Rumbling, cracking wood.
Level Goal: ✅ "Learn to Duck or swipe to dodge"
On-Screen Text: Tap to duck or Swipe to Dodge!

Panel 8

Location: Windmill Spire, engine platform
Camera View: Wide shot
Visual Description: Mira reaches the big windmill. The engine sparks and lets out steam.
Character Action: She stops and opens a panel on the engine.
Player Action: Nothing — a short story moment before the puzzle.
Dialogue / Narration: Mira: "Okay... just like Tobb showed me."
Sound / Music: Hissing steam, sparking sounds.

Panel 9

Location: Windmill Spire, inside the engine
Camera View: Close-up on hands and gears
Visual Description: A simple puzzle appears — three gears need to line up.
Character Action: She holds a wheel and starts turning it.
Player Action: Drag to turn the gears until they line up.
Dialogue / Narration: Tobb (radio): "Line up the gears — you've got this."
Sound / Music: Clicking gear sounds as pieces lock in place.

Panel 10

Location: Windmill Spire, fixed
Camera View: Wide shot, zooming out
Visual Description: The windmill's blades start turning again. Warm light spreads across the island as the shaking stops.
Character Action: She sighs with relief and leans against the engine.
Player Action: A "level complete" screen appears with stars and a reward.
Dialogue / Narration: Mira: "One down. How many more, Tobb?"
Sound / Music: Music comes back. A happy chime plays.
Reward: Windstones Earned +60 · 3/3 Stars — Level Complete: Windmill Spire

Skybound Courier — Stage 1, Panel 10 of 10

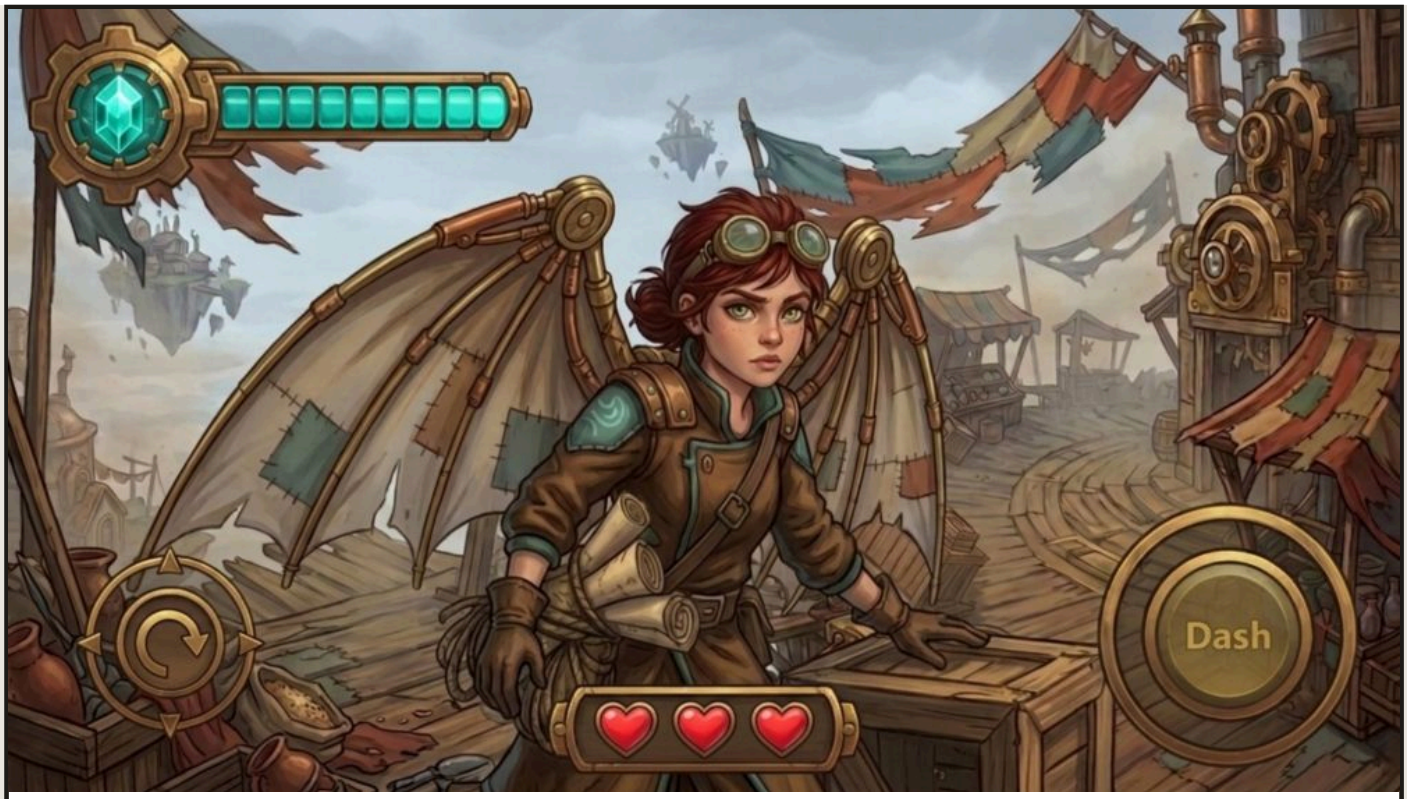

MARKET ISLE

Level 2: Market Isle · Panels 1–8
Level Goal: "Rescue the Stranded Traders"
"The wind is dying, and Market Isle is the first to feel it."

Panel 1

Location: Market Isle, arrival
Camera View: Wide shot, gliding in
Visual Description: Mira descends toward a bustling but now-damaged market island — stalls tipped over, banners torn, residents looking up worried.
Character Action: She scans the island as she glides in.
Player Action: Hold to glide toward the island.
Dialogue / Narration: On-screen text: "Goal: find the stranded traders"
Sound / Music: Distant worried chatter, uneasy wind.
Level Goal: "Rescue the Stranded Traders"

Panel 2

Location: Market Isle, broken market square
Camera View: Medium shot, following Mira
Visual Description: Mira lands and moves through the damaged market, cracked stalls, scattered goods.
Character Action: She looks around carefully, searching.
Player Action: Drag to steer while exploring.
Dialogue / Narration: (none)
Sound / Music: Creaking wood, wind gusts through gaps.

Panel 3

Location: Market Isle, side street
Camera View: Side view, gameplay
Visual Description: A glowing key icon is partially visible behind rubble down a narrow side street.
Character Action: She peers down the alley.
Player Action: Search side streets / dodge falling debris.
Dialogue / Narration: On-screen text: "Find the Windstone key"
Sound / Music: Rubble creaking, distant debris falls.

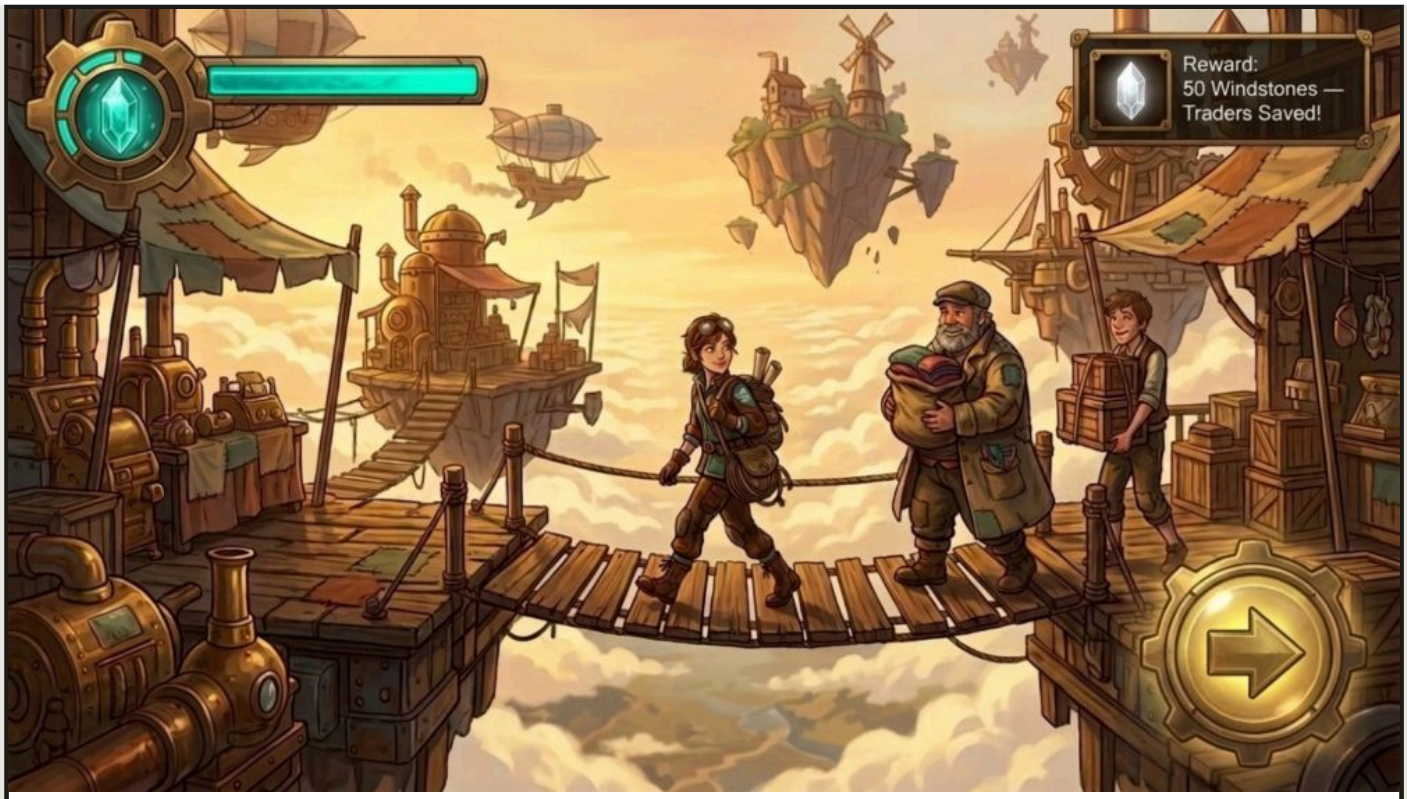

Panel 4

Location: Market Isle, wind puzzle area
Camera View: Wide shot
Visual Description: Mira redirects a visible wind current through a set of brass vents/fans to clear a blocked path.
Character Action: She adjusts the vent mechanism.
Player Action: Drag/rotate vents to redirect gusts.
Dialogue / Narration: Mira: "Just gotta turn this the right way..."
Sound / Music: Wind whooshing through mechanisms, metallic creak.

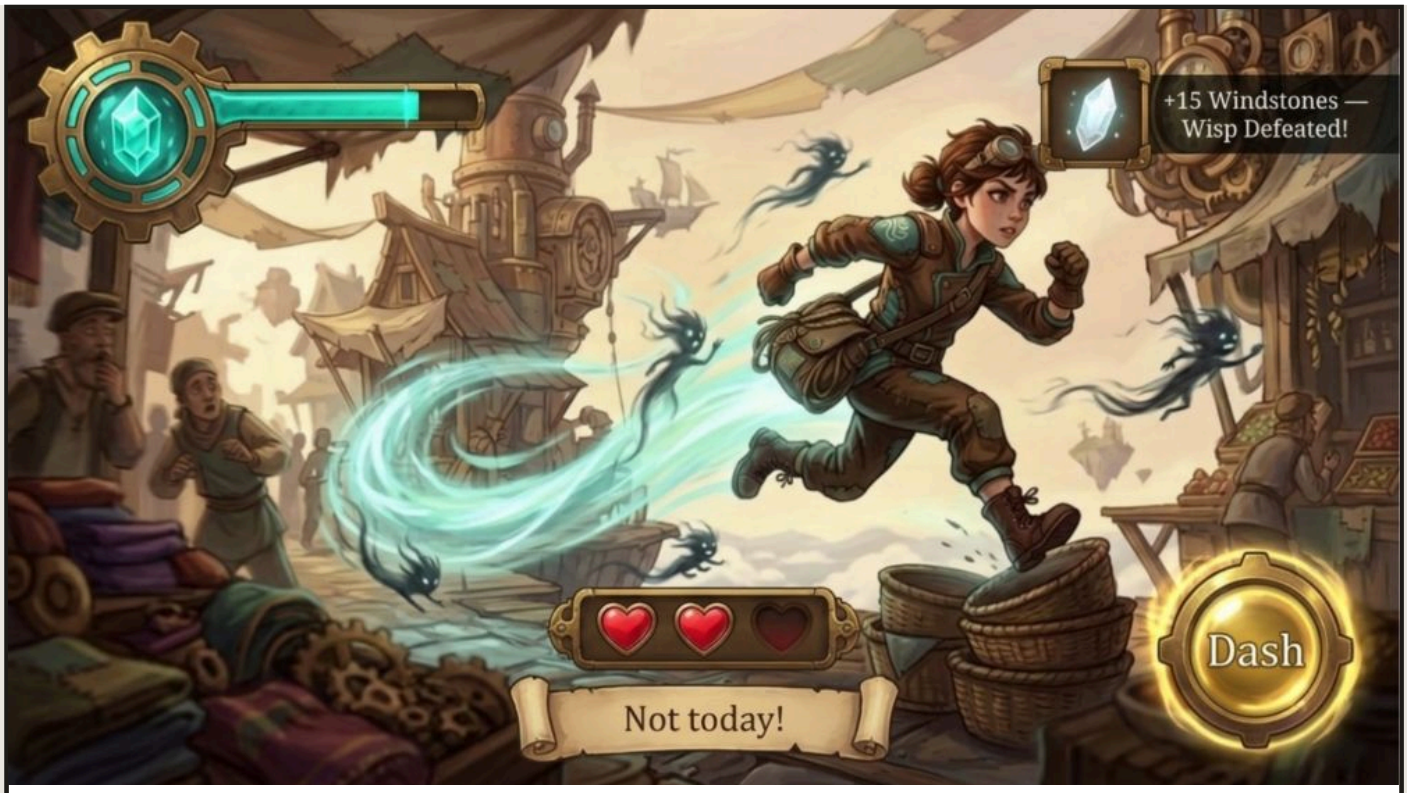

Panel 5

Location: Market Isle, collapsed stall
Camera View: Medium shot
Visual Description: The path clears; Mira reaches trapped traders huddled behind a fallen stall.
Character Action: She pulls debris aside to free them.
Player Action: None — story beat.
Dialogue / Narration: Trader: "You came! We thought no one heard us."
Sound / Music: Relieved murmurs, soft music swell.
Reward: 30 Windstones for freeing the traders.

Panel 6

Location: Market Isle, open square
Camera View: Wide shot
Visual Description: Mira leads the traders across a rope bridge toward safety.
Character Action: She guides them, glancing back reassuringly.
Player Action: None — brief cutscene beat.
Dialogue / Narration: (none)
Sound / Music: Hopeful rising music.
Reward: 50 Windstones — Traders Saved!

Panel 7

Location: Market Isle, market square
Camera View: Dynamic action shot
Visual Description: Wisps swarm in as the traders reach safety; Mira dashes and fights them off.
Character Action: Mid-dash, deflecting a Wisp.
Player Action: Dash/dodge combat input.
Dialogue / Narration: Mira: "Not today!"
Sound / Music: Tense combat music, whooshing dash SFX.
Reward: +15 Windstones — Wisp Defeated!

Panel 8

Location: Market Isle, level complete
Camera View: Wide shot, zooming out
Visual Description: Market Isle calm again, traders waving thanks, Mira catching her breath.
Character Action: She leans against a post, exhaling.
Player Action: Level complete screen — stars + reward.
Dialogue / Narration: Mira: "Two down. The wind's getting worse though..."
Sound / Music: Warm resolution music.
Reward: Windstones Earned +95 · Story Bits Found 2/2 · 2/3 Stars — Level Complete: Market Isle

FIRST WISP ENCOUNTER

Windmill Spire

Level 3 — First Wisp Encounter · Panels 1–6

Panel 1 — Something's Wrong

Location: Windmill Spire, outer scaffold section
Camera View: Wide shot
Visual Description: Mira gliding toward a dim, wind-battered scaffold section that looks unusually quiet, sky dimmer here than the rest of the island.
Character Action: She glides in slowly, scanning the area.
Player Action: None — scripted intro beat.
Dialogue / Narration: On-screen text: "Something's wrong out here..."
Sound / Music: Low ambient wind, quieter and stiller than the rest of the island; music fades to near-silence, signaling something's off.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps — first backstory pieces about the mentor relationship.

Skybound Courier — Level 3, Panel 1

Panel 2 — First Sighting

Location: Windmill Spire, outer scaffold section, narrow walkway
Camera View: Medium shot
Visual Description: Mira standing still on a narrow scaffold walkway, a small shadowy wisp creature flickering faintly between beams ahead, dim moody lighting.
Character Action: She freezes, wary, watching the wisp.
Player Action: None — scripted beat.
Dialogue / Narration: On-screen text: "...Is that one of the wisps Tobb warned me about?"
Sound / Music: Faint dissonant whistle from the Wisp, distant and intermittent; wind holds low and tense underneath.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps.

Skybound Courier — Level 3, Panel 2

Panel 3 — Story Bit #1

Location: Windmill Spire, outer scaffold, small alcove behind a loose beam
Camera View: Close-up
Visual Description: A glowing paper note tucked behind a loose wooden beam in a small alcove, Mira's hand reaching for it after a small dash.
Character Action: She dashes across the gap and reaches for the note.
Player Action: Dash across a small gap to reach the alcove.
Dialogue / Narration: On-screen text: "Day 214. Wind's been colder near the outer scaffolds."
Sound / Music: Quick whoosh on the dash, soft chime as the note is picked up; wind dips quieter in the alcove.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps.

Skybound Courier — Level 3, Panel 3

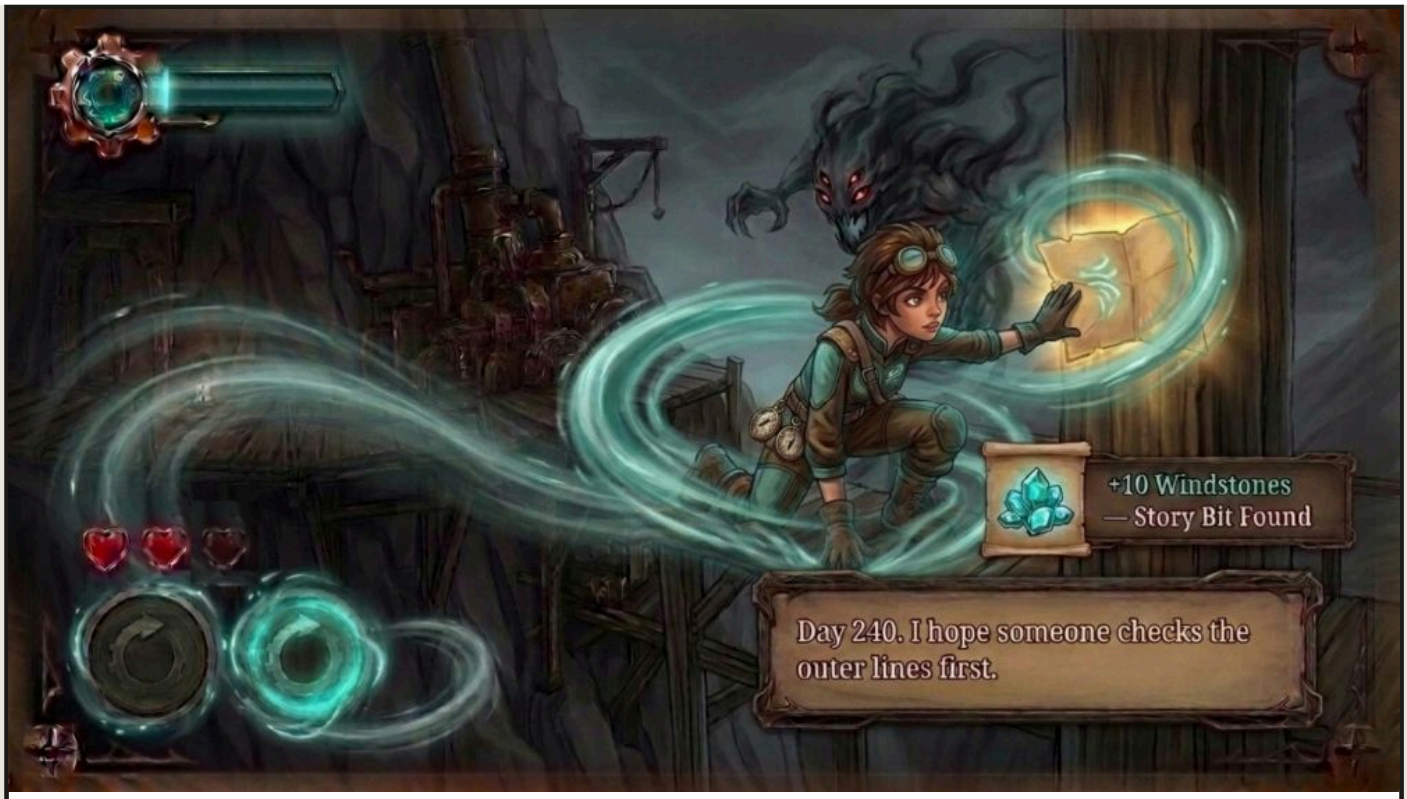

Panel 4 — First Combat

Location: Windmill Spire, outer scaffold walkway
Camera View: Dynamic action shot
Visual Description: Mira mid-dash, deflecting a small shadowy wisp on the scaffold, motion blur, glowing wind trail.
Character Action: Mid-dash, deflecting the wisp with a swipe.
Player Action: Swipe to dash through the wisp.
Dialogue / Narration: Mira: "Okay — dash, not run!"
Sound / Music: Sharp whoosh on the dash-through, dissonant whistle from the Wisp cutting off as it's deflected; brief musical sting on impact.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps.

Skybound Courier — Level 3, Panel 4

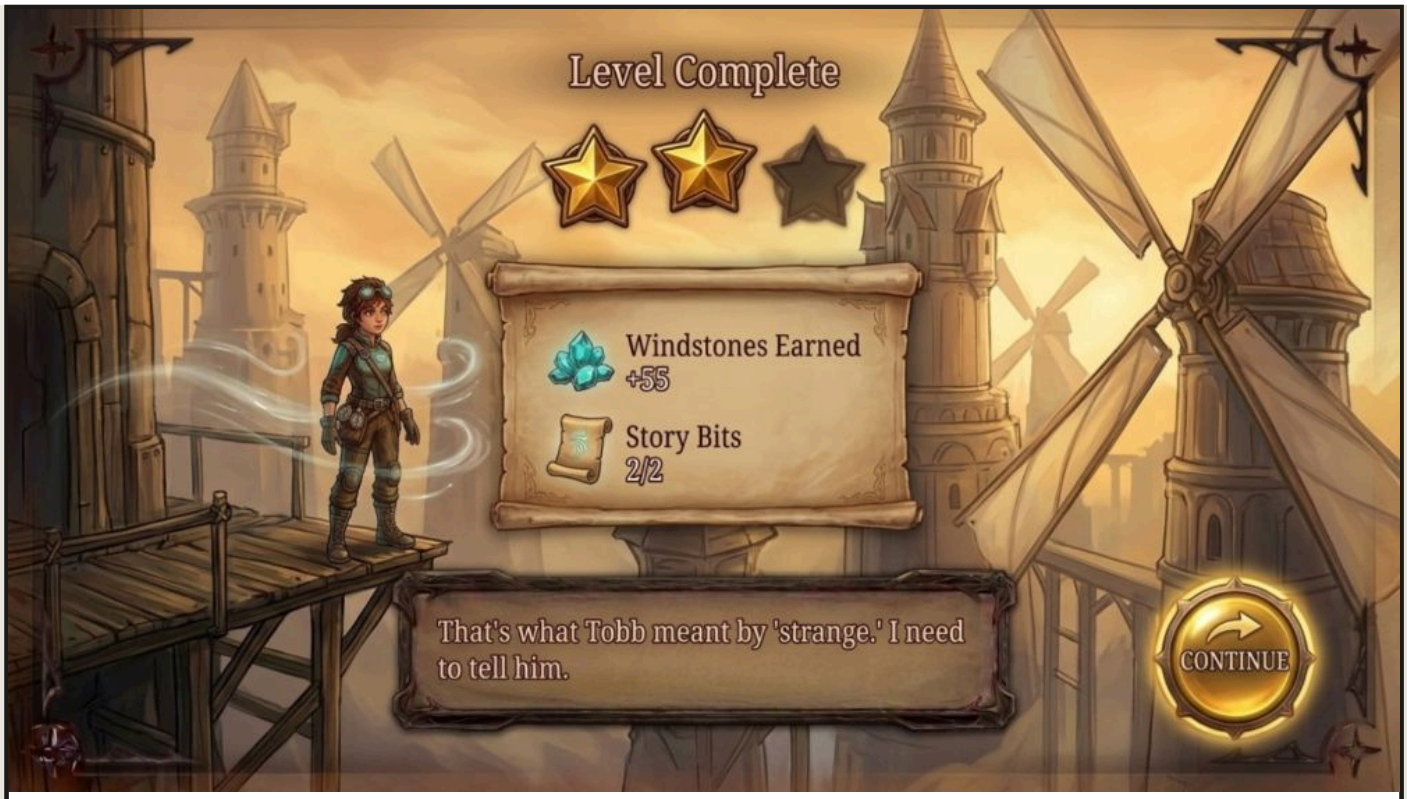

Panel 5 — Story Bit #2 + Second Wisp

Location: Windmill Spire, outer scaffold, second gap crossing
Camera View: Wide shot
Visual Description: Mira landing beside a second glowing note after a timed dash over a gap, a wisp lunging just behind her.
Character Action: She lands and reaches for the note as the wisp closes in.
Player Action: Timed dash across the gap.
Dialogue / Narration: On-screen text: "Day 240. I hope someone checks the outer lines first."
Sound / Music: Wind picks up with urgency as the second Wisp closes in; whoosh on the timed dash, resolving into a chime on pickup.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps.

Skybound Courier — Level 3, Panel 5

Panel 6 — Level Complete

Location: Windmill Spire, outer scaffold's edge
Camera View: Wide zoom-out
Visual Description: Mira standing calmly at the scaffold's edge, wind settling, Windmill Spire visible behind her.
Character Action: She relaxes, looking back toward home.
Player Action: Tap Continue on the Level Complete screen.
Dialogue / Narration: On-screen text: "That's what Tobb meant by 'strange.' I need to tell him."
Sound / Music: Wind settles and quiets; music returns warm and calm, closing with a light chime fanfare on the Level Complete screen.

Story bits: 2 of Tobb's radio logs, hidden past small dash-gaps.

Skybound Courier — Level 3, Panel 6

WINDMILL SWARM

Windmill Spire

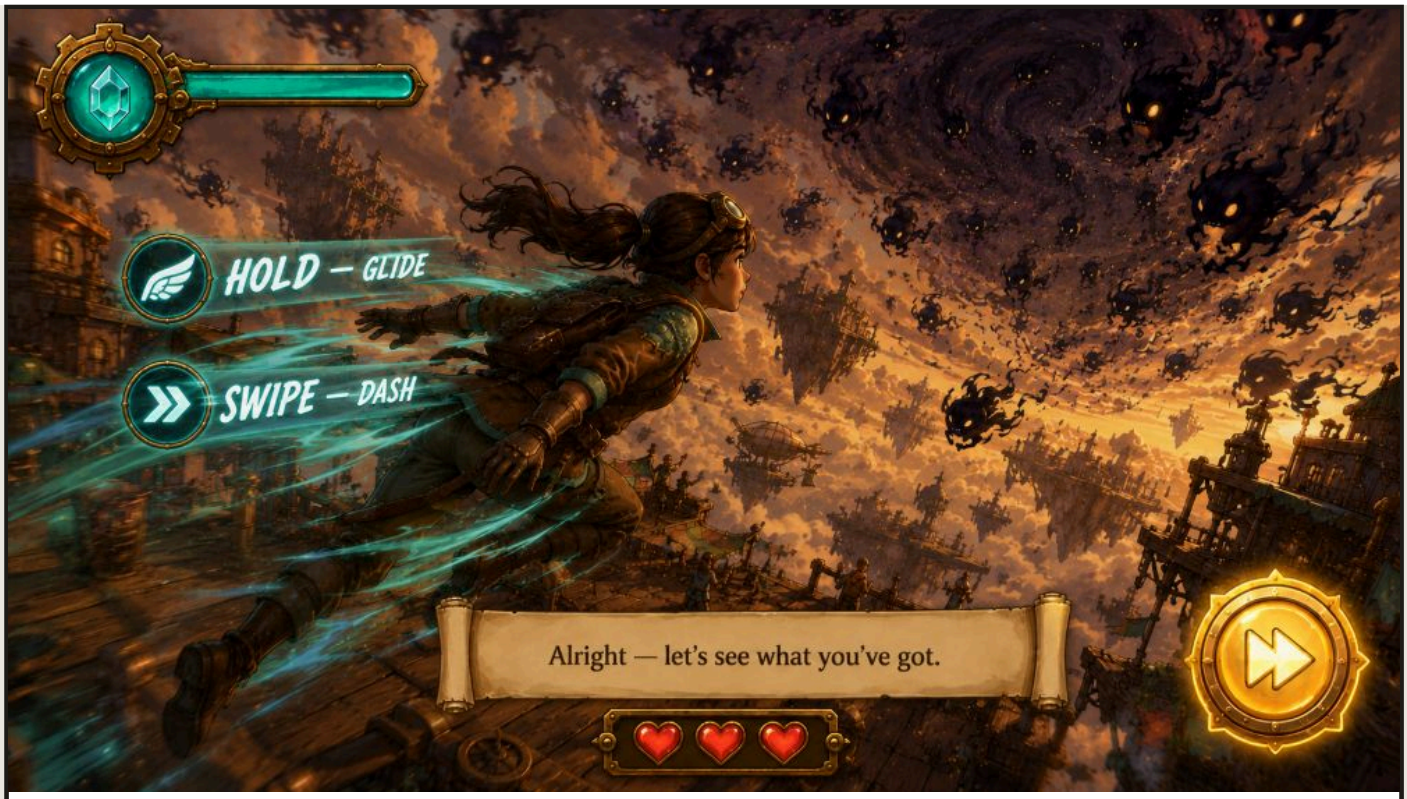

Level 4: Rogue Wisp Swarm · Panels 1–8
Level Goal: "Defeat the Swarm Core"
"The wind turned against them first. Now it's coming for her."

Panel 1 — Swarm Gathers

Location: Windmill Spire, central plaza
Camera View: Wide establishing shot
Visual Description: The sky darkens unnaturally as a large mass of Wisps gathers above the plaza.
Character Action: Mira looks up, alarmed.
Player Action: None — scripted intro.
Dialogue / Narration: Tobb (radio): "Mira — that's not a few wisps. That's a swarm!"
Sound / Music: Whisper-static rising in volume and pitch, tension music building.

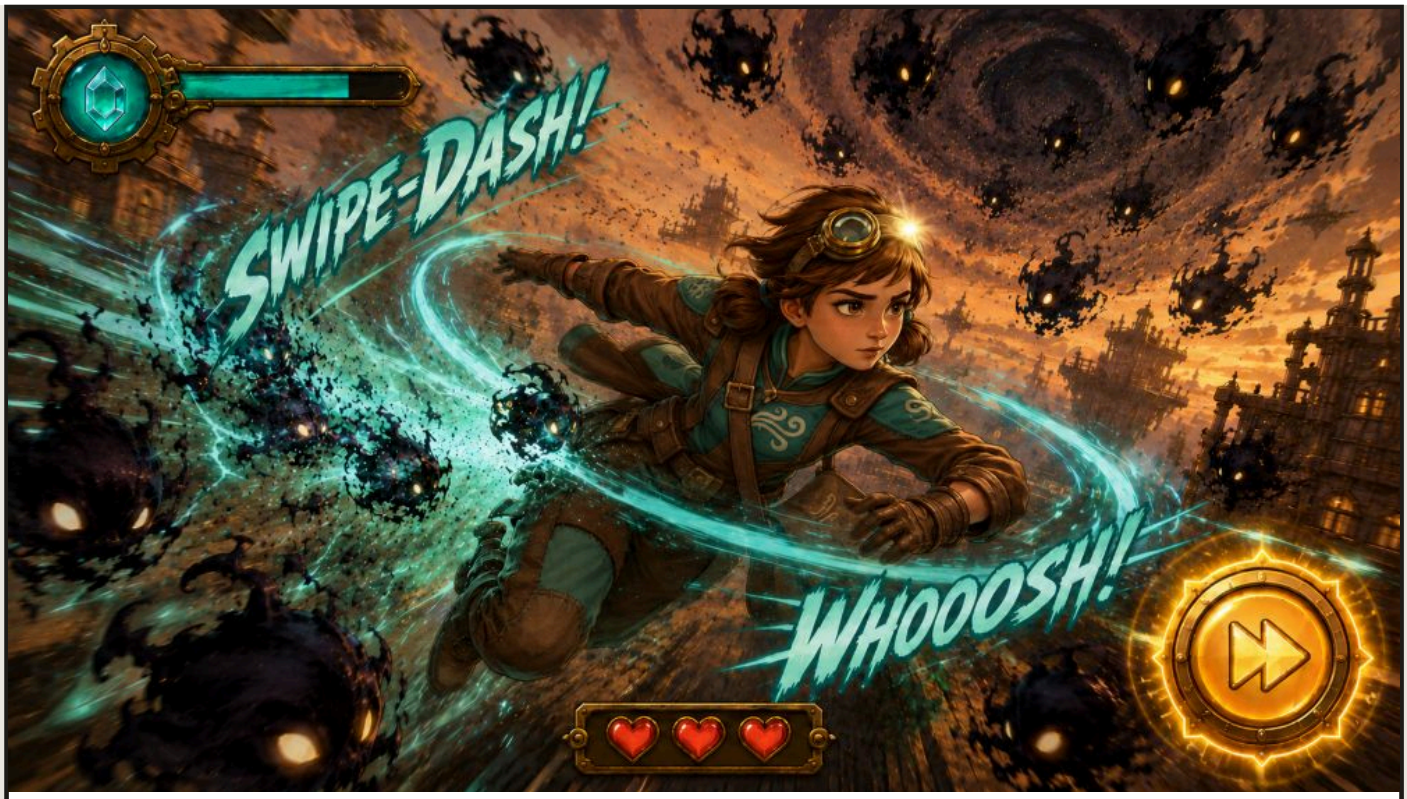

Skybound Courier — Level 4, Panel 1

Panel 2 — Launch

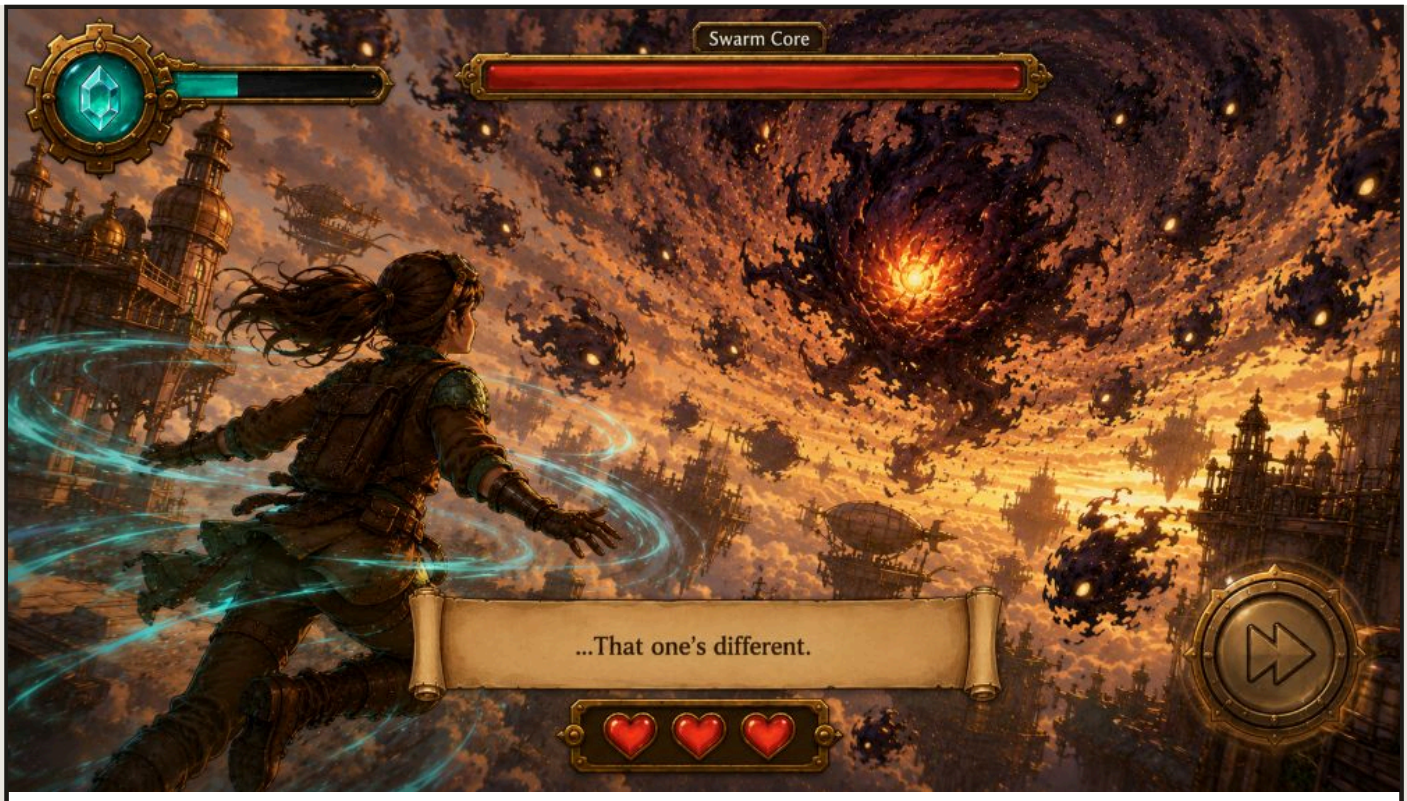

Location: Windmill Spire, central plaza, mid-air
Camera View: Dynamic wide shot
Visual Description: The Wisp swarm dives toward the plaza; Mira takes off to meet it.
Character Action: She launches into flight, weaving through the first wave.
Player Action: Hold-glide + swipe-dash combo introduced as the boss pattern.
Dialogue / Narration: Mira: "Alright — let's see what you've got."
Sound / Music: Fast combat music begins.

Skybound Courier — Level 4, Panel 2

Panel 3 — Chain Dash

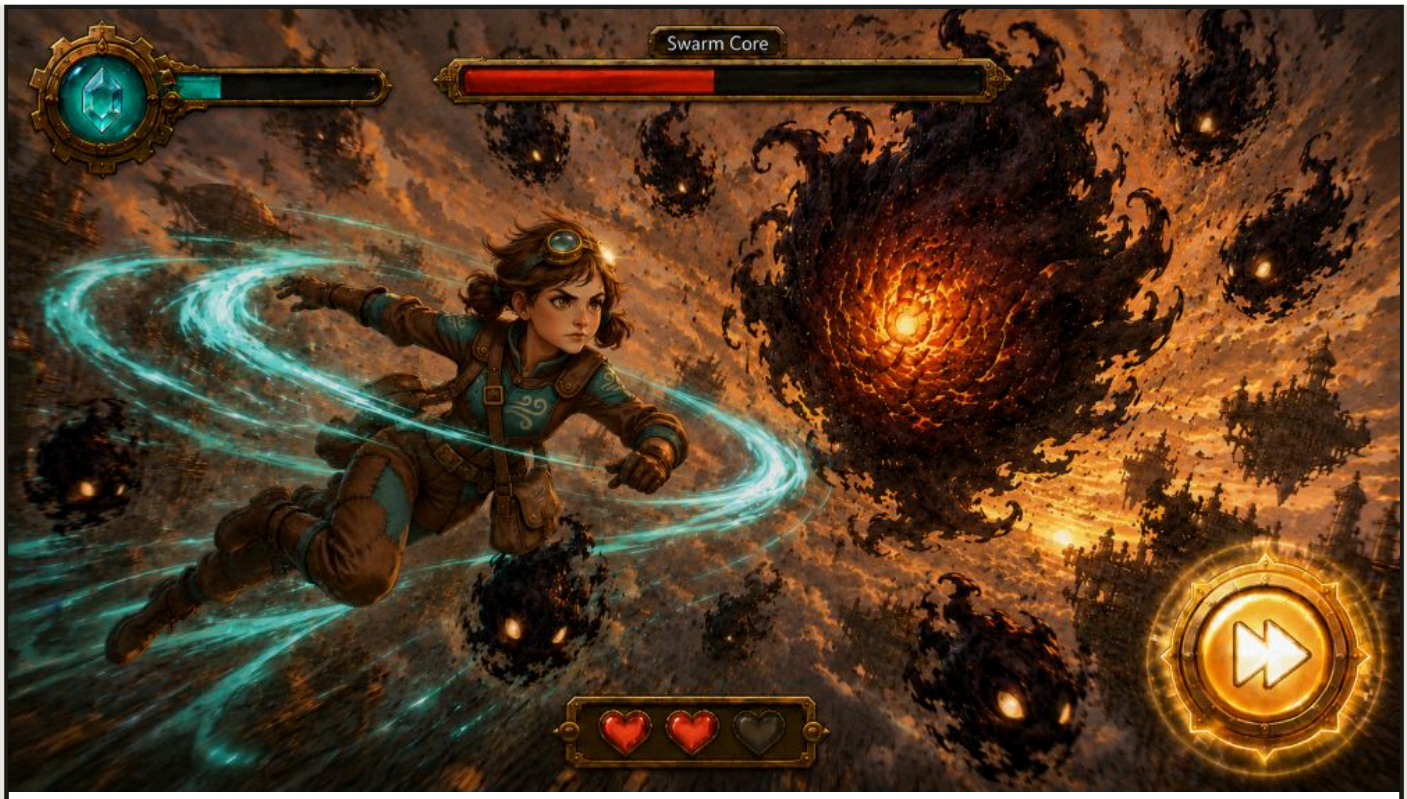

Location: Windmill Spire, mid-air above the plaza
Camera View: Close dynamic action shot
Visual Description: Mira dashes through a tight cluster of Wisps, several dissolving behind her.
Character Action: Chained dash sequence.
Player Action: Rapid swipe-dash inputs, timing-based.
Dialogue / Narration: (none — pure action)
Sound / Music: Rapid whoosh SFX chain, chimes on each defeat.

Panel 4 — The Core Appears

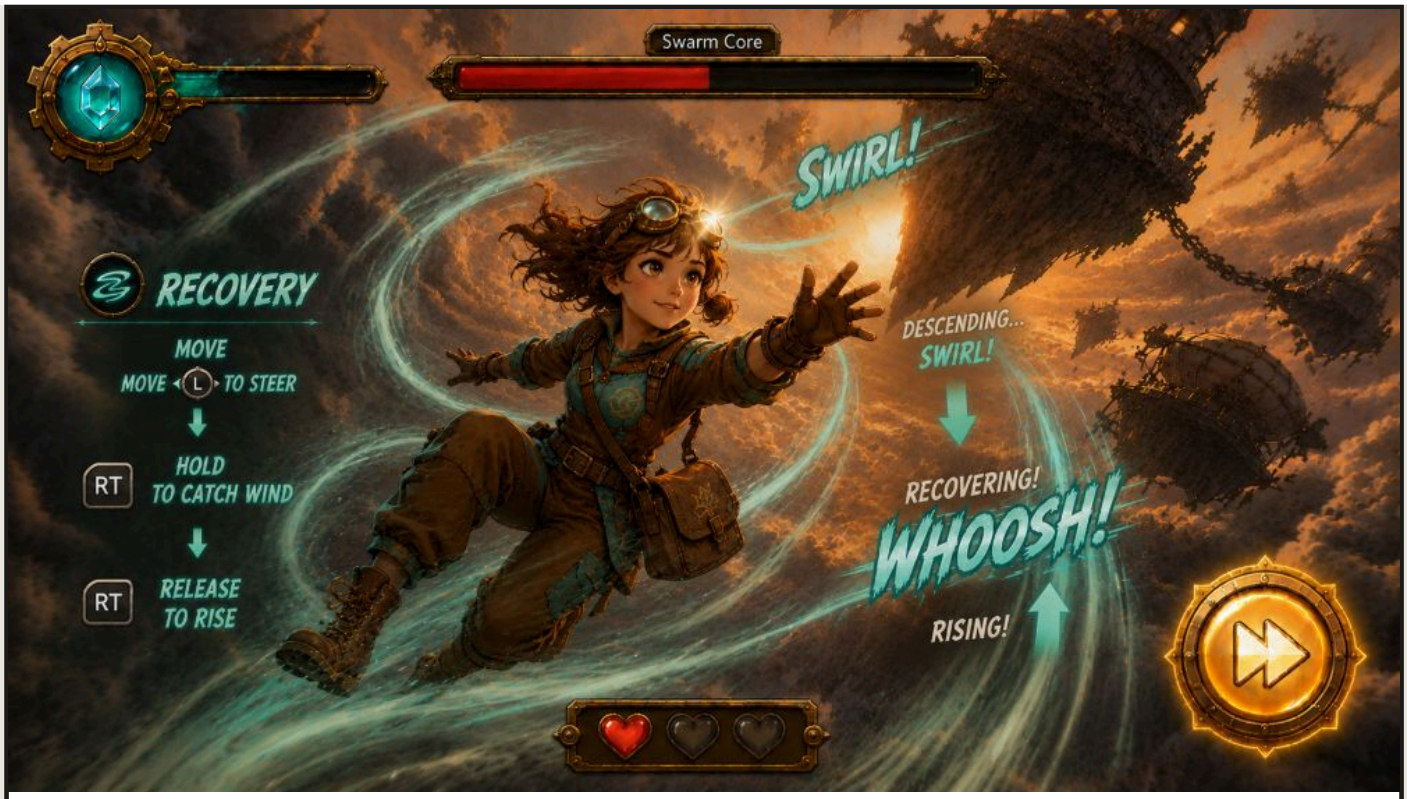

Location: Windmill Spire, plaza airspace
Camera View: Wide shot
Visual Description: A larger "swarm core" Wisp forms — brighter ember core, slower but tougher — the true mid-boss.
Character Action: Mira hovers back warily, assessing.
Player Action: None — scripted boss reveal beat.
Dialogue / Narration: Mira: "…That one's different."
Sound / Music: Music drops briefly, low ominous tone.

Skybound Courier — Level 4, Panel 4

Panel 5 — Boss Phase 1

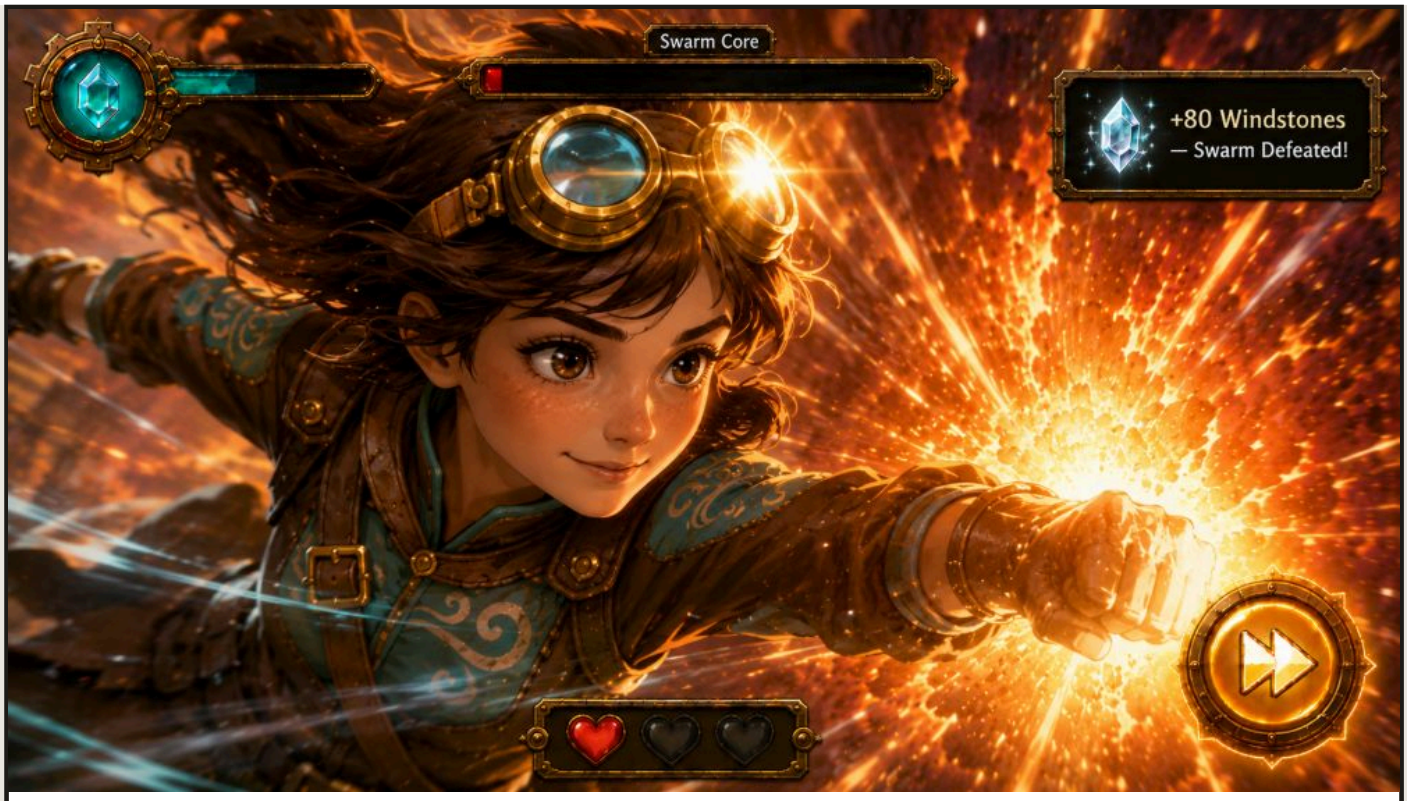

Location: Windmill Spire, plaza airspace
Camera View: Dynamic action shot
Visual Description: Mira dashes around the swarm core, deflecting smaller Wisps it summons.
Character Action: Circling dash pattern.
Player Action: Dodge summoned Wisps while landing hits on the core (dash-through).
Dialogue / Narration: (none)
Sound / Music: Escalating combat music.

Panel 6 — Near-Fall Moment

Location: Windmill Spire, plaza airspace
Camera View: Low angle, looking up
Visual Description: Mira gets clipped by a Wisp attack and drops briefly toward the clouds below before catching an updraft.
Character Action: Falling, then catching herself.
Player Action: Recovery input (Assist Mode widens this window if enabled).
Dialogue / Narration: (none — pure tension beat)
Sound / Music: Descending wind swirl SFX, then rising airy whoosh as she recovers.

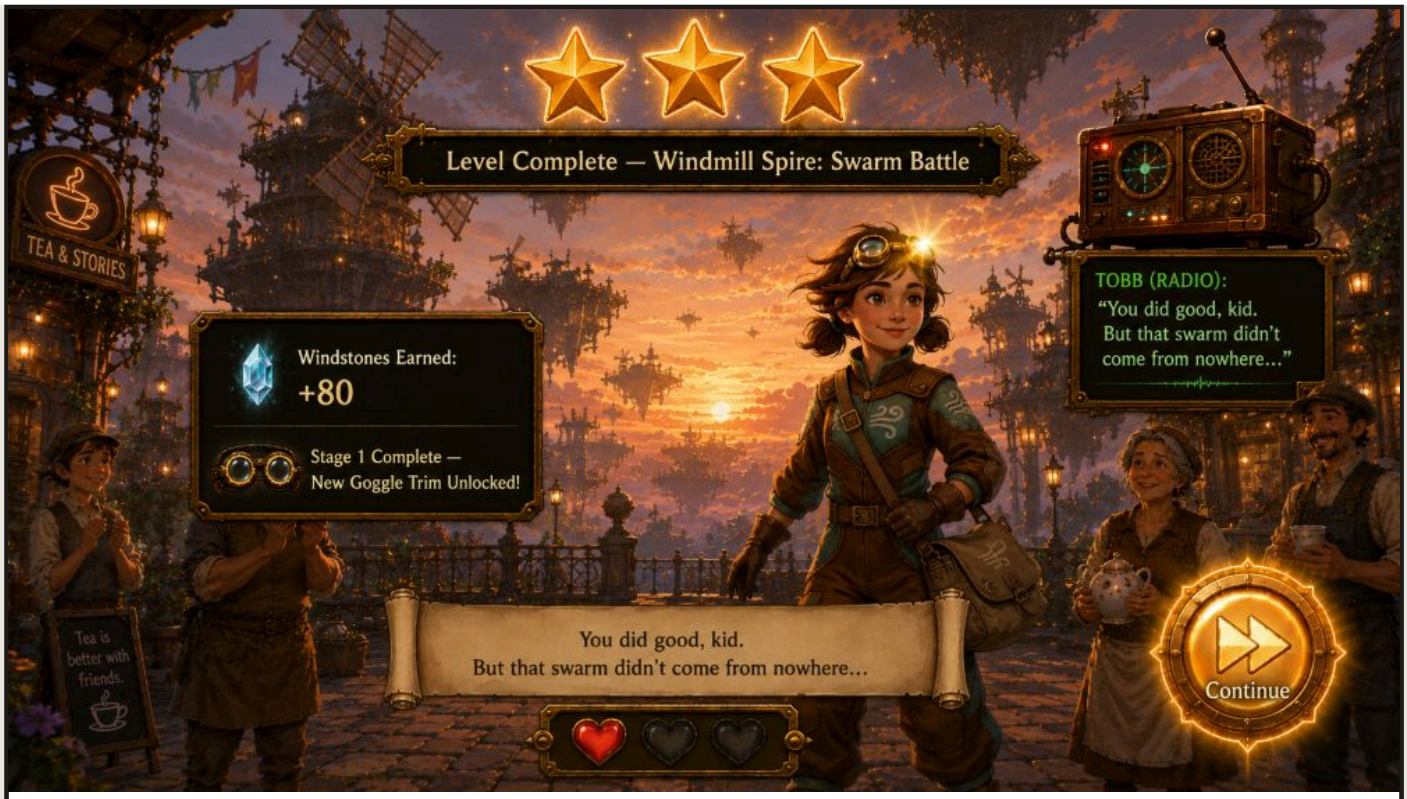

Skybound Courier — Level 4, Panel 6

Panel 7 — Final Blow

Location: Windmill Spire, plaza airspace, final phase
Camera View: Close-up
Visual Description: Mira lands a final decisive dash straight through the swarm core's ember center.
Character Action: Full-force dash-through.
Player Action: Final input of the fight.
Dialogue / Narration: (none)
Sound / Music: Sharp whoosh, then a building mechanical/magical crackle.
Reward: +80 Windstones — Swarm Defeated!

Skybound Courier — Level 4, Panel 7

Panel 8 — Level Complete / Stage 1 Milestone

Location: Windmill Spire, central plaza, ground level
Camera View: Wide shot
Visual Description: The swarm core shatters into scattering embers and fades; Mira lands to a few relieved onlookers.
Character Action: She lands calmly; a faint new goggle-trim cosmetic glints on her gear.
Player Action: Level Complete screen — stars, Windstone total, Stage 1 milestone unlock.
Dialogue / Narration: Tobb (radio): "You did good, kid. But that swarm didn't come from nowhere…"
Sound / Music: Warm bell fanfare, 2 notes ascending.
Reward: +80 Windstones · 3 Stars · Stage 1 Complete — New Goggle Trim Unlocked!

Skybound Courier — Level 4, Panel 8

LEVELS 5–11 — IN PROGRESS

STAGE 3

Storm's Edge

Theme: final confrontation. Difficulty: Hard → Boss.

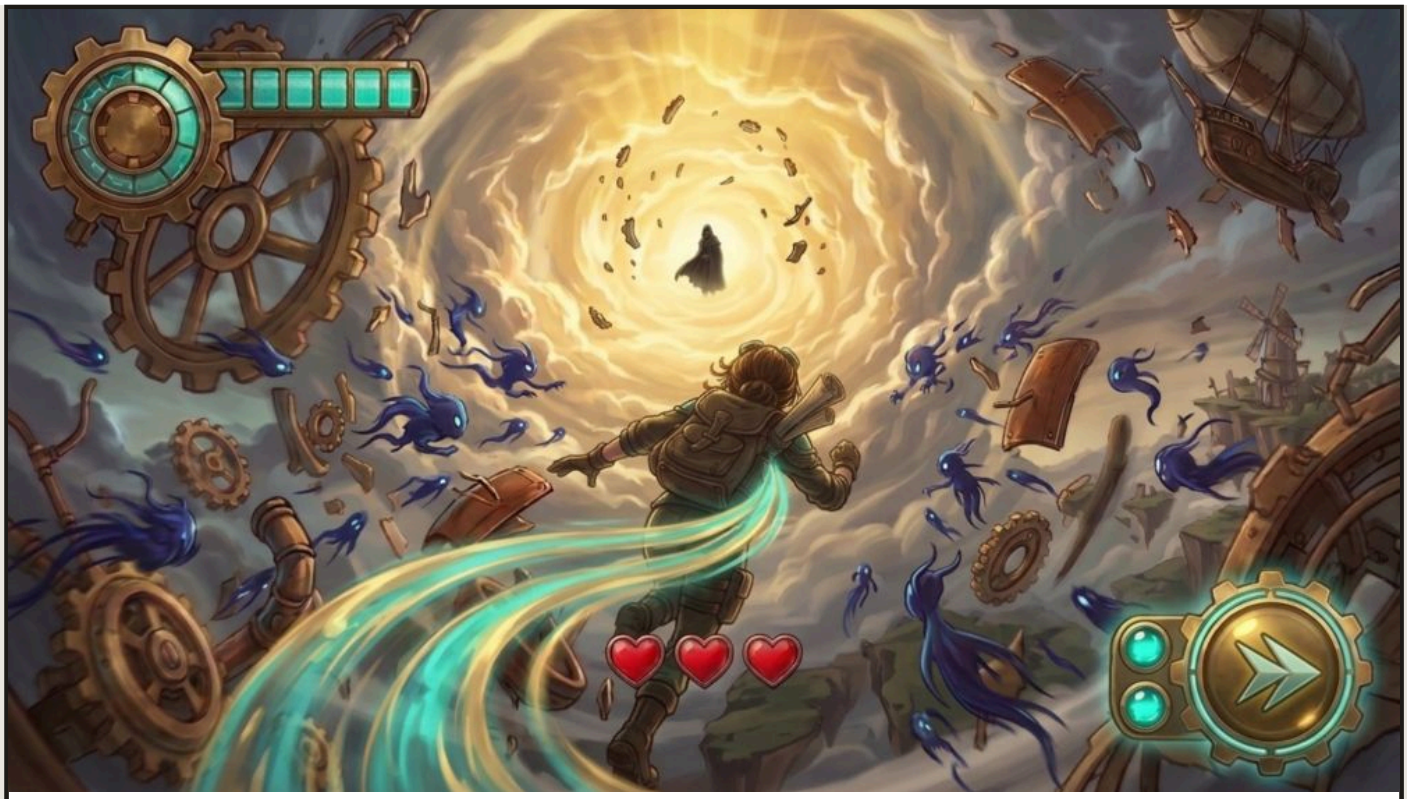

KAEL'S STORM

Level 12: The Final Confrontation · Panels 1–7
Level Goal: "Reach Kael — Fight or Save Him"
"Every wind has a source. Hers just found his."

Panel 1 — Confrontation

Location: Storm's Edge, the heart of the Hollow Current
Camera View: Wide dramatic shot
Visual Description: Mira weaves through falling debris inside a massive swirling storm; a dark hooded figure stands motionless at the storm's glowing center in the distance.
Character Action: She dodges debris, focused and tense, closing the distance.
Player Action: Dodge falling debris while flying toward the objective.
Dialogue / Narration: Mira: "Kael! Stop this!"
Sound / Music: Howling storm wind, tense rising strings.

Panel 2 — Closing the Gap

Location: Storm's Edge, approaching the center
Camera View: Dynamic wide shot
Visual Description: Mira weaves at full speed through debris and Wisps toward Kael, using double-dash to close the distance fast.
Character Action: Rapid double-dash movement, fully focused.
Player Action: Dodge + double-dash combo input.
Dialogue / Narration: (none — pure action beat)
Sound / Music: Fast combat music building toward the confrontation.

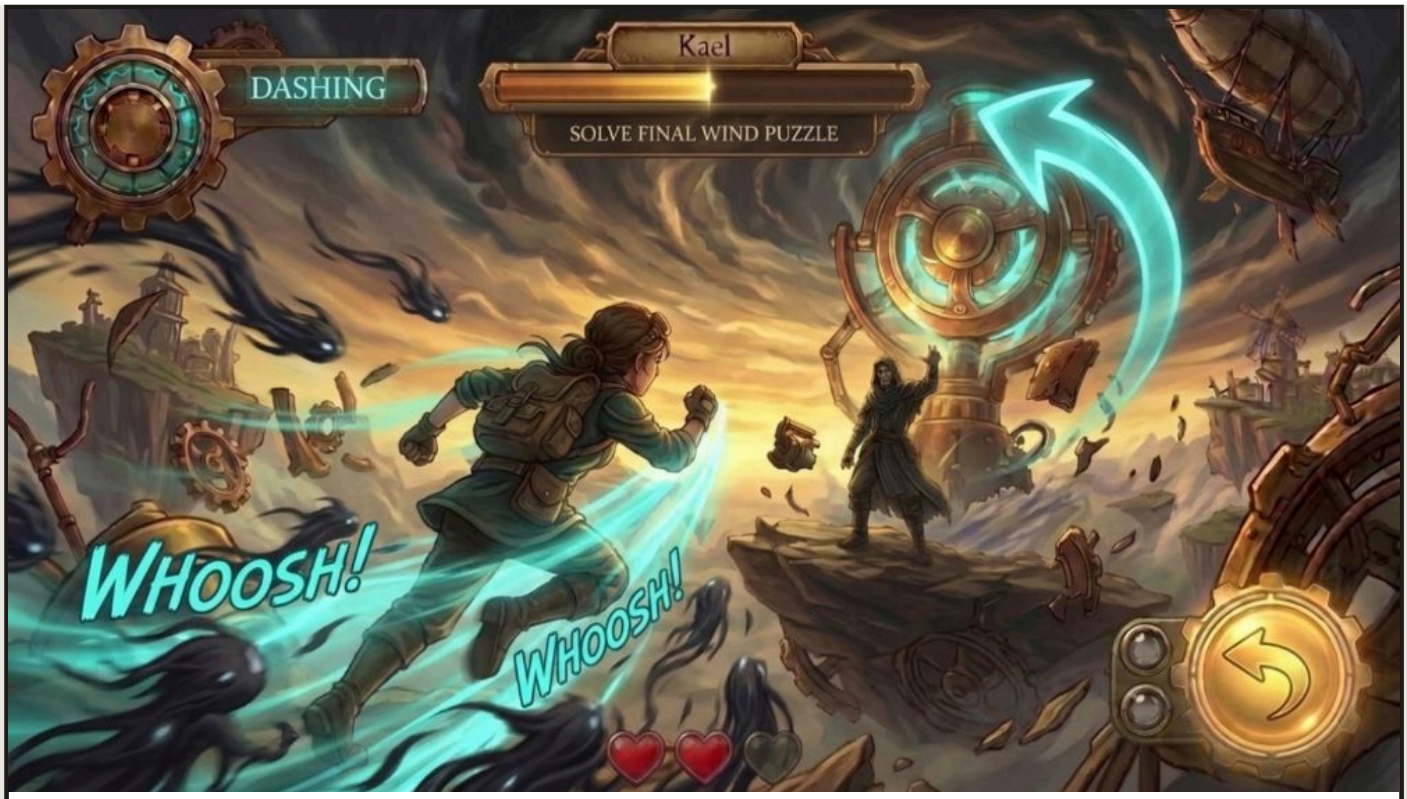

Panel 3 — Face to Face

Location: Storm's Edge, close confrontation
Camera View: Medium two-shot
Visual Description: Mira faces Kael directly, wind whipping around them both; his expression is conflicted, not purely villainous.
Character Action: She stands her ground, hand raised defensively.
Player Action: None — dialogue beat.
Dialogue / Narration: Kael: "You don't understand — this world needs to be free of these machines."
Sound / Music: Wind howling, low ominous undertone.

Panel 4 — Kael's Counterattack

Location: Storm's Edge, mid-confrontation
Camera View: Wide shot
Visual Description: Kael raises a hand and the storm responds, summoning a wave of Wisps and debris around them both.
Character Action: Mira braces against the summoned attack.
Player Action: Dodge/dash defensive sequence begins — boss phase 1.
Dialogue / Narration: Kael: "You shouldn't have come this far."
Sound / Music: Ominous crackle, combat music resumes.

Panel 5 — Mid-Fight

Location: Storm's Edge, mid-fight
Camera View: Dynamic action shot
Visual Description: Mira dashes past a wave of corrupted Wisps summoned by Kael, wind-energy trailing behind her, a final glowing wind-current puzzle mechanism visible in the background.
Character Action: Mid-dash, redirecting a glowing wind current with a swipe.
Player Action: Dash through Wisps, then solve final wind puzzle.
Dialogue / Narration: (none — pure action beat)
Sound / Music: Fast combat music, whooshing dashes, Wisp whisper-static.

Panel 6 — Storm Weakens

Location: Storm's Edge, turning point
Camera View: Medium shot
Visual Description: The storm thins around Kael as the currents redirect; he staggers, the fight's momentum shifting.
Character Action: Kael falters; Mira watches, hesitating.
Player Action: None — scripted beat.
Dialogue / Narration: Kael: "…Enough. Just… enough."
Sound / Music: Music drops sharply, wind quieting.

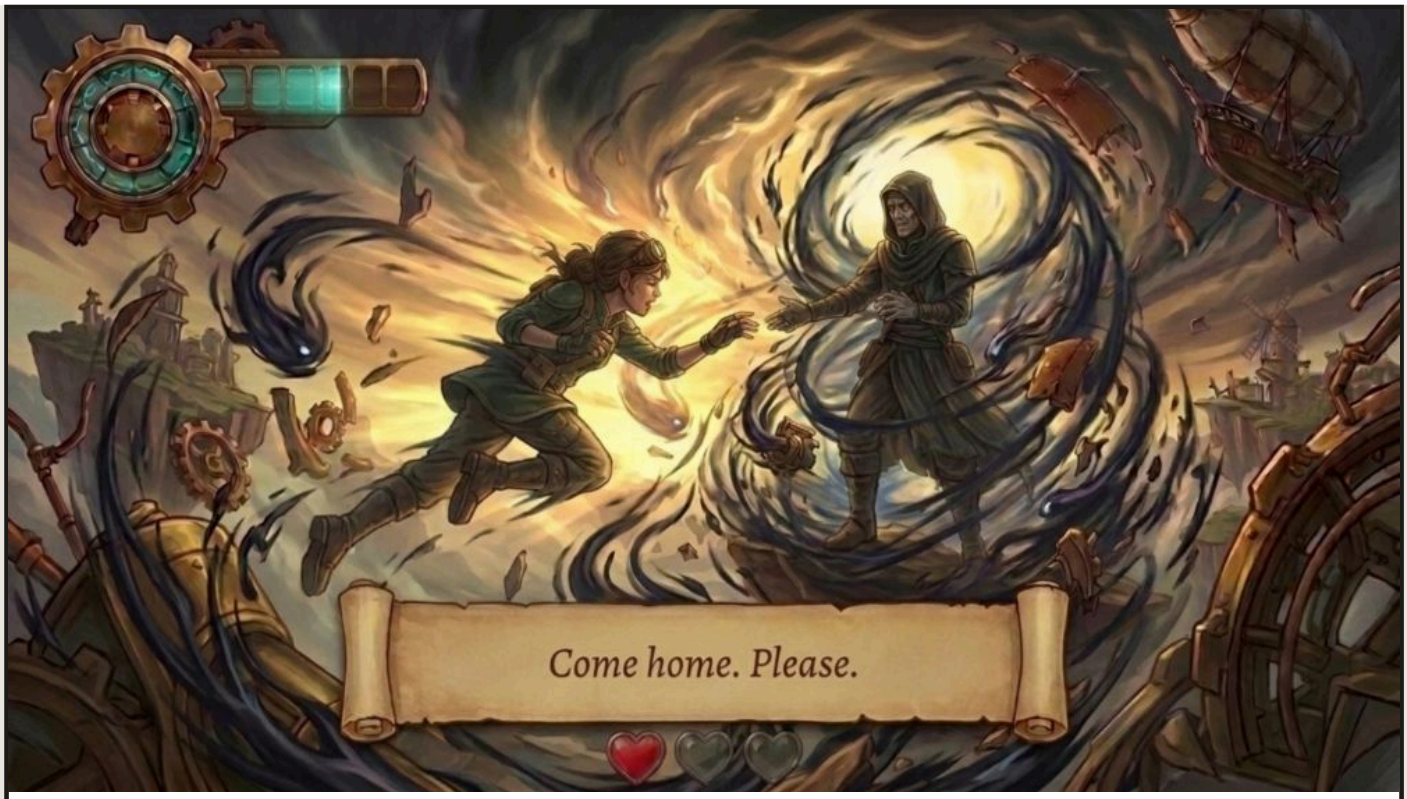

Panel 7 — The Choice

Location: Storm's Edge, the final moment
Camera View: Close-up, split focus
Visual Description: Mira reaches Kael at last, storm swirling violently around them both, her hand extended — the moment of choice frozen just before it's made.
Character Action: She hesitates, hand outstretched.
Player Action: None — leads directly into the branch choice.
Dialogue / Narration: Mira: "…I'm not leaving without you."
Sound / Music: Music drops to near silence except wind, one sustained tense note.

Skybound Courier — Stage 3, Panel 7 of 7

OUTRO A — "UNDERSTANDING"

Storm Calmed · 6 Panels
Save version

Panel 1

Location: Storm's Edge, the Hollow Current
Camera View: Wide shot
Visual Description: Mira reaches toward Kael amid the swirling storm, pleading with him to stop.
Dialogue / Narration: Mira: "Come home. Please."
Sound / Music: Wind slowing, faint chimes rising.

Panel 2

Location: Storm's Edge, a newly repaired platform
Camera View: Medium two-shot
Visual Description: Mira stands beside a weary older man in tattered engineer robes, both looking out over the saved islands.
Dialogue / Narration: Kael (quiet): "...Thank you."
Sound / Music: Gentle wind, soft strings.

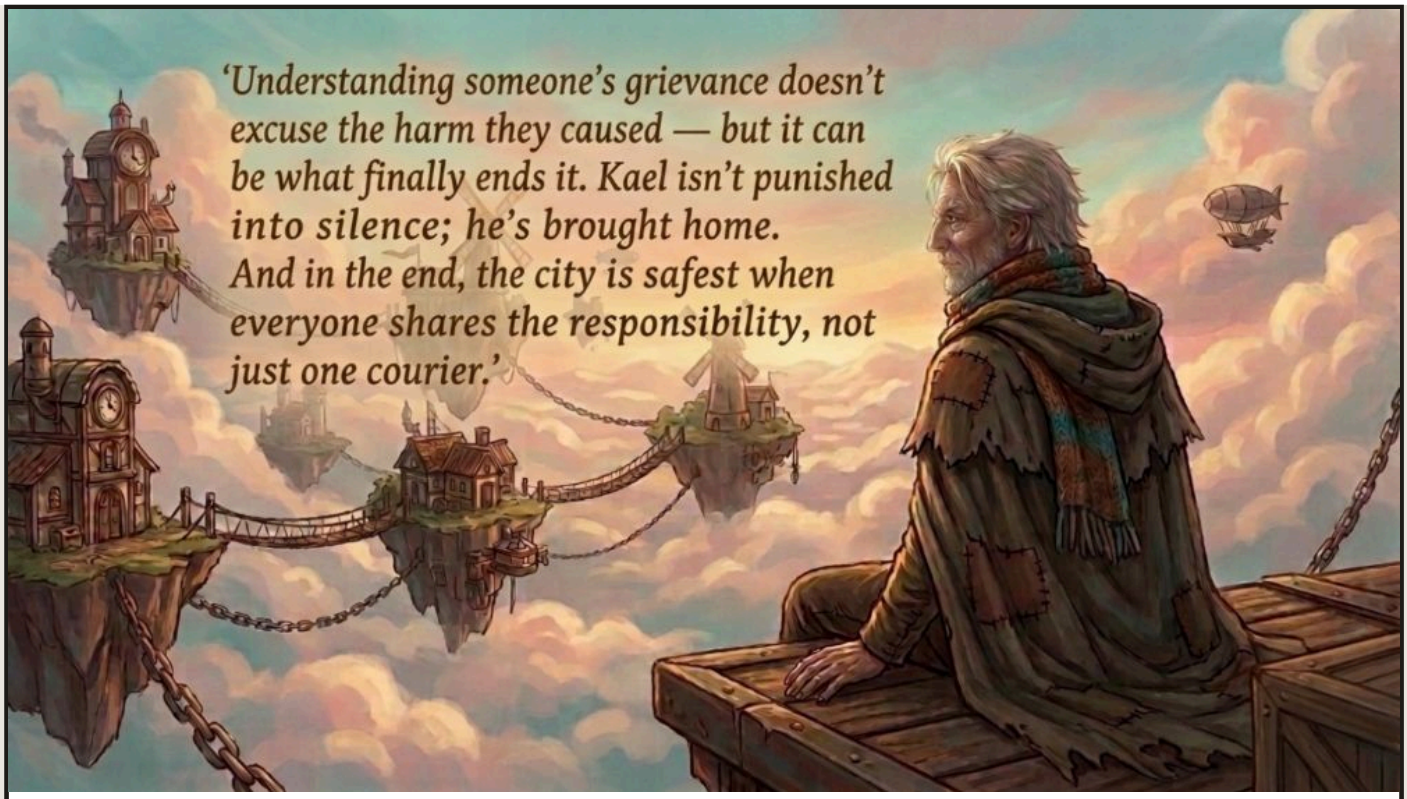

Panel 3

Location: Skyreach Archipelago, wide view
Camera View: Wide aerial pull-back
Visual Description: Windmills spinning again across every island, warm sunset light spreading over the archipelago.
Dialogue / Narration: Mira (VO): "One more delivery, then home."
Sound / Music: Warm orchestral swell.

Panel 4

Location: Windmill Spire, home platform
Camera View: Medium shot
Visual Description: Mira lands softly; Tobb waves up at her from below.
Dialogue / Narration: Tobb: "Welcome home, messenger."
Sound / Music: Footsteps, wind chimes.

Panel 5 — Closing Social Message

Location: Skyreach Archipelago, wide aerial view, sunset
Camera View: Wide static hold, slow fade-in on text
Visual Description: A wide, unhurried pull-back over the full archipelago — windmills turning, bridges connecting the islands, airships drifting through the clouds below in warm sunset light. The closing message fades in over the bottom third of the frame.
Sound / Music: Music settles into a soft, sustained final chord; distant wind and creaking rope bridges underneath.

Panel 6 — Logo

Location: Title card
Visual Description: Faint silhouette of the islands behind the logo, subtitle "The sky remembers those who mend it."
Sound / Music: Music resolves to a soft final chord.

Skybound Courier — Outro A, Panel 6 of 6

OUTRO B — "CONSEQUENCE"

Storm Broken · Costly Ending · 7 Panels
Fight version

Panel 1 — Choice Made

Location: Storm's Edge, choice made — confrontation
Camera View: Dynamic wide shot
Visual Description: Mira makes a final decisive dash toward Kael, choosing to stop him by force; the storm reacts violently.
Character Action: Full-force dash toward Kael.
Player Action: Player-chosen branch input — "fight" path.
Dialogue / Narration: Mira: "I'm sorry, Kael."
Sound / Music: Sharp musical sting, storm roaring. (leads into Outro B — "Storm Broken")

Panel 2

Location: Storm's Edge, the Hollow Current
Camera View: Dramatic wide shot
Visual Description: The storm shatters apart into shards of light.
Dialogue / Narration: (none)
Sound / Music: Crackling energy, triumphant swell begins.

Panel 3

Location: In the air above Storm's Edge
Camera View: Low angle, looking up
Visual Description: Mira flies upward through the clearing storm, fist raised, wind streaks trailing behind her.
Dialogue / Narration: Mira: "For Skyreach!"
Sound / Music: Wind roar, rising triumphant music.

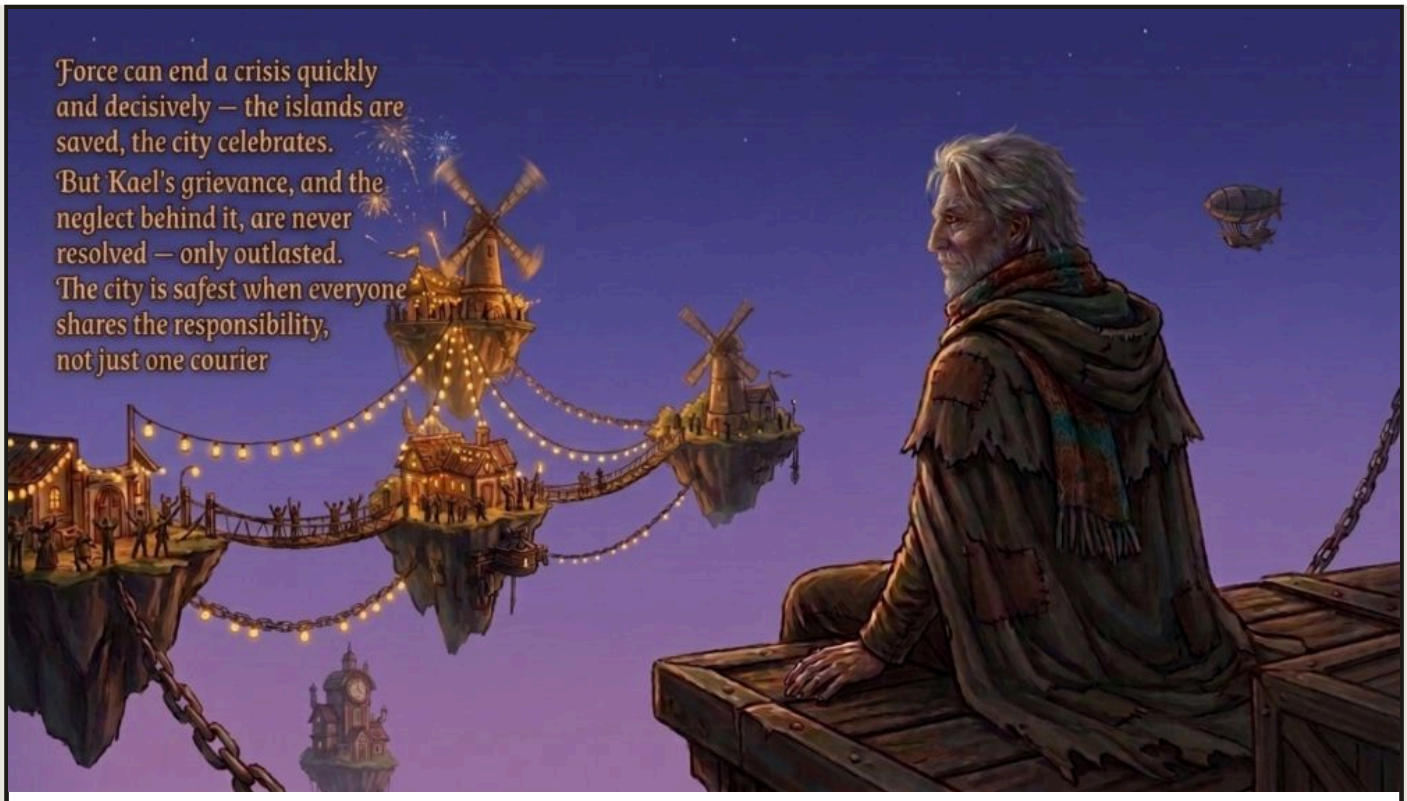

Panel 4

Location: Skyreach Archipelago, wide view
Camera View: Wide aerial shot
Visual Description: The islands stabilize; windmills roar back to life one by one across the archipelago.
Dialogue / Narration: (none)
Sound / Music: Mechanical whirs, triumphant orchestral peak.

Panel 5

Location: Windmill Spire, home platform
Camera View: Medium shot
Visual Description: Mira lands to cheering island residents; Tobb claps her on the shoulder.
Dialogue / Narration: Tobb: "You did it, kid."
Sound / Music: Cheering crowd, warm celebratory music.

Panel 6 — Closing Social Message

Location: Skyreach Archipelago, Windmill Spire district, dusk into night
Camera View: Wide static hold, Kael foreground-right, celebration mid-ground-left, slow fade-in on text
Visual Description: A quiet, physically separated wide shot — the reunited islands glow warm gold in the distance, strung with festival lights, fireworks bursting faintly over the windmills, tiny figures cheering on the bridges. Kael sits alone on a separate platform in the foreground, turned away from the celebration, watching the dark sky instead. Stars emerging above; the gap of open air between him and the lights underscores the distance between the "win" and his own unresolved place in it.
Character Action: Kael sits motionless, unmoved by the celebration behind him.
Dialogue / Narration: (none)
Sound / Music: Distant celebration music and fireworks fade low; music resolves to a minor, unsettled chord instead of a triumphant one.

Panel 7 — Logo

Location: Title card
Visual Description: Logo fades in over a triumphant island shot, subtitle "Skyreach flies on."
Sound / Music: Music hits a full triumphant stop on the logo.

PRODUCTION STATUS — "IN PROGRESS, NOT MISSING"

Levels 5–11 are fully scripted in Section 10, every scene written. The artwork is being sequenced next, using the same verification process built for Levels 1–4: script match, HUD consistency, dialogue accuracy.

ROADMAP

Levels 5–11

Level 5 — Cloudmist Caverns

Location: Cloudmist Caverns, narrow ledge
Camera View: Medium shot
Visual Description: Mira holding a brass spyglass to her eye, scanning ahead through a dark glowing crystal cave system.
Character Action: Tap-and-hold spyglass, scouting ahead.
Player Action: Tap-and-hold to zoom and scout the safe path.
Dialogue / Narration: Mira: "Can't see much... good thing Tobb gave me this."
Sound / Music: Soft mechanical click of the spyglass extending, low ambient cave hum.

Roadmap: Story bits: 2 of Kael's journal pages, first hints of the twist.

Skybound Courier — Level 5, Panel 2

Panel 3 — "Second Node"

Location: Storm's Edge, the storm's heart chamber
Camera View: Wide shot
Visual Description: Mira working a combined gear-and-vent mechanism, currents aligning with turning gears.
Character Action: Adjusting the combined gear-and-vent mechanism.
Player Action: Drag/rotate to align the current at this node.
Dialogue / Narration: (none)
HUD: Energy drained · Hearts all full · Round rotate icon active · No reward

Roadmap: Story bits: the final Hollow Current fragment, almost sympathetic to Kael's view.
